

TBU Council

Selecting Alternates

At the May 2015 Annual General Meeting, members voted to implement a new process for the selection of voting representatives at monthly TBU Council meetings.

Each Branch is now required to have elected representatives to Council in addition to the Branch President (if applicable, based on FTE).

Q: What do I do if the elected representatives cannot attend a Council meeting?

A: The Branch President should email the name of the representative who cannot attend and the name of the alternate to: steering@osstftoronto.ca **no later than noon on the day of the Council meeting.**

Only names submitted to the above email address by the deadline will be eligible for a voting badge.
