

OSSTF Toronto's Status of Women Committee

Presents

The Kathryn Maxwell Bursary

In an effort to assist OSSTF Toronto members with engaging in, or continuing the efforts to raise awareness about women's issues and their impact on our daily lives; locally or globally we are offering teachers and PSSP members the opportunity to apply for an annual bursary in honour of Kathryn Maxwell. Clubs and/or events which raise awareness, consciousness or encourage activism pertaining to women's issues may receive funding of up to \$100 per worksite, per year.

As each TDSB worksite is limited to one application per year members are encouraged to coordinate their applications through their Branch President.

Applications will be accepted on first come, first served, rolling basis until May 19th, 2023 or until the Committee's allotted funds are allocated*. Members are encouraged to apply early.

*OSSTF Toronto Status of Committee will determine the overall amount available to this initiative at the beginning of each school year

Please turn over for application
