d) Seniority and experience continue to accrue during such leave(s).

e) Where a teacher is on such leave(s), the Employer shall continue to pay its share of the benefit premiums, where applicable. To maintain participation and coverage under the Collective
Agreement, the teacher must agree to provide for payment for the teacher’s share of the benefit premiums, where applicable.

f) In order to receive pay for such leaves, a teacher must access Employment Insurance and the Supplemental Employment Benefit (SEB) in accordance with g) to j), if allowable by legislation. An employee who is eligible for E.I. is not entitled to benefits under a school board’s sick leave and short term disability plan.

Supplemental Employment Benefits (SEB)

g) The Employer shall provide for permanent teachers, long-term occasional teachers and teachers hired into a term position who access such Leaves, a SEB plan to top up their E.I. Benefits. The teacher who is eligible for such leave shall receive 100% salary for a period not to exceed eight (8) weeks provided the period falls within the school year and during a period for which the permanent teacher would normally be paid. The SEB Plan pay will be the difference between the gross amount the teacher receives from E.I. and their regular gross pay.

h) Long Term Occasional Teachers and those on term assignments are eligible for the SEB plan with the length of the benefit limited by the term of the assignment.

i) SEB payments are available only to supplement E.I. benefits during the absence period as specified in this plan.

j) The teacher must provide the Board with proof that he/she has applied for and is in receipt of employment insurance benefits in accordance with the Employment Insurance Act, as amended, before SEB is payable.

C9.00 SICK LEAVE

C9.1 Sick Leave/Short Term Leave and Disability Plan – Teachers (excluding daily occasional Teachers)

a) Sick Leave Benefit Plan

The Sick Leave Benefit Plan will provide sick leave days and short term disability days for reasons of personal illness, personal injury, including personal medical appointments and personal dental appointments.

b) Sick Leave Days

Subject to paragraphs C9.1 d) i-vi below, full-time Teachers will be allocated eleven (11) sick days at one hundred percent (100%) salary in each school year. Teachers who are less than full-time shall have their sick leave allocation pro-rated.

c) Short-Term Leave and Disability Plan (STLDP)

Subject to paragraphs C9.1 d) i-vi below, full-time Teachers will be allocated one hundred and twenty (120) short-term disability days in September of each school year. Teachers who are less than full-time shall have their STLDP allocation pro-rated. Teachers eligible to access STLDP shall receive payment equivalent to ninety percent (90%) of regular salary.

d) Eligibility and Allocation

The allocations outlined in paragraphs C9.1 b) and c) above, will be provided on the first day of each school year, subject to the restrictions outlined in C9.1 d) i-vi below.

i. A Teacher is eligible for the full allocation of sick leave and STLDP regardless of start date of employment or return to work from any leave other than sick leave, WSIB or LTD.

ii. All allocations of sick leave and STLDP shall be pro-rated based on FTE at the start of the school year. Any changes in FTE during a school year shall result in an adjustment to allocations.
iii. Part-time Teachers working an unbalanced schedule who work every day of a full school year shall have 11 days of sick leave at 100% pay and 120 additional days of STLDP at 90% pay. In this situation, pay is defined as the amount of money the employee would have otherwise received over that period of absence.

iv. Where a Teacher is accessing sick leave, STLDP, WSIB or LTD in a school year and the absence due to the same illness or injury continues into the following school year, the Teacher will continue to access any unused sick leave days or STLDP days from the previous school year’s allocation. Access to the new allocation provided as per paragraphs C9.1(b) and (c) for a recurrence of the same illness or injury will not be provided to the Teacher until the Teacher has completed eleven (11) consecutive working days at his/her full FTE without absence due to illness.

v. Where a Teacher is accessing STLDP, WSIB, or LTD in the current school year as a result of an absence due to the same illness or injury that continued from the previous school year and has returned to work at less than his/her FTE, the Teacher will continue to access any unused sick leave days or STLDP days from the previous school year's allocation. In the event the Teacher exhausts their STLDP allotment and continues to work part-time their salary will be reduced accordingly and a new prorated sick leave and STLDP allocation will be provided. Any absences during the working portion of the day will not result in a loss of salary or further reduction in the previous year’s sick leave allocation, but will instead be deducted from the new allocation once provided.

vi. A partial sick leave day or short-term disability day will be deducted for an absence for a partial day.

e) Short-Term Leave and Disability Plan Top-up

i. Teachers accessing STLDP will have access to any unused Sick Leave Days from their last year worked for the purpose of topping up salary to one hundred percent (100%) under the STLDP.

ii. This top-up is calculated as follows: Eleven (11) days less the number of sick leave days used in the most recent year worked.

iii. Each top-up from 90% to 100% requires the corresponding fraction of a day available for top-up.

iv. In addition to the top-up bank, top-up for compassionate reasons may be considered at the discretion of the board on a case by case basis. The top-up will not exceed two (2) days and is dependent on having two (2) unused Short Term Paid Leave Days in the current year. These days can be used to top-up salary under the STLDP.

v. When Teachers use any part of an STLDP day they may access their top up bank to top up their salary to 100%.

f) Sick Leave and STLDP Eligibility and Allocation for Teachers in a Term Assignment

Notwithstanding the parameters outlined above, the following shall apply to Teachers in a term assignment:

i. Teachers in term assignments of less than a full year, and/or less than full-time, shall have their allocation of sick leave and STLDP prorated on the basis of the number of work days in their term compared to 194 days.

ii. Where the length of the term assignment is not known in advance, a projected length must be determined at the start of the assignment in order for the appropriate allocation of sick leave/STLDP to occur. If a change is made to the length of the term or the FTE, an adjustment will be made to the allocation and applied retroactively.
iii. A Long Term Occasional Teacher who works more than one LTO assignment in the same school year may carry forward Sick leave and STLDP from one LTO assignment to the next, provided the assignments occur in the same school year.

g) Administration

i. The Board may require medical confirmation of illness or injury to substantiate access to sick leave or STLDP. Medical confirmation may be required to be provided by the Teacher to access sick leave or STLDP.

ii. The Board may require information to assess whether an employee is able to return to work and perform the essential duties of his/her position. Where this is required, such information shall include his/her limitations, restrictions and disability related needs to assess workplace accommodation as necessary (omitting a diagnosis) and will be collected using the form as per Appendix B. An alternate form may be used where one is mutually developed and agreed upon at the local level.

iii. If the employee’s medical practitioner has indicated on the form referenced in (ii) above that the employee is totally disabled from work, the Board will not inquire further with respect to the employee’s abilities and/or restrictions until the next review of the employee’s abilities and/or restrictions in accordance with the review date indicated on the form, subject to the Board’s ability to seek medical reassessment after a reasonable period of time.

iv. At no time shall the employer or any of its agents contact the medical practitioner directly.

v. A board decision to deny access to benefits under sick leave or STLDP will be made on a case-by-case basis and not based solely on a denial of LTD.

vi. The employer shall be responsible for any costs related to independent third party medical assessments required by the employer.

C10.00 PROVINCIAL SCHOOLS AUTHORITY/PSAT

OSSTF/FEESO members who are employees of the Provincial Schools Authority (PSAT), teaching in elementary classrooms, shall be subject to the working conditions agreed to by the local parties as per the current collective agreement.

C11.00 MINISTRY/SCHOOL BOARD INITIATIVES

a) OSSTF/FEESO will be an active participant in the consultation process to develop a Ministry of Education PPM regarding Ministry/School Board Initiatives.

b) Teachers shall use their professional judgement as defined in C3.5 above. Teachers’ professional judgements are at the heart of effective assessment, evaluation, and reporting of student achievement.

c) Teachers’ professional judgement is further informed by using diagnostic assessment to identify a student’s needs and abilities and the student’s readiness to acquire the knowledge and skills outlined in the curriculum expectations. Information from diagnostic assessments helps teachers determine where individual students are in their acquisition of knowledge and skills so that instruction is personalized and tailored to the appropriate next steps for learning. The ability to choose the appropriate assessment tool(s), as well as the frequency and timing of their administration allows the teacher to gather data that is relevant, sufficient and valid in order to make judgements on student learning during the learning cycle.

i. Boards shall provide a list of pre-approved assessment tools consistent with their Board improvement plan for student achievement and the Ministry PPM.

d) Teachers will be consulted, where possible, if a student’s grade/mark/comment is changed.
C12.00 OCCASIONAL TEACHERS AND PA DAYS

Long term occasional teachers shall participate in, and be paid for, each scheduled PA day during the term of their assignment. If the term is a full semester, the long term occasional teacher is entitled to the PA day(s) at the beginning or end of that semester.
CENTRAL APPENDIX A – RETIREMENT GRATUITIES

A. Sick Leave Credit-Based Retirement Gratuities

1) A Teacher is not eligible to receive a sick leave credit gratuity after August 31, 2012, except a sick leave credit gratuity that the Teacher had accumulated and was eligible to receive as of that day.

2) If the Teacher is eligible to receive a sick leave credit gratuity, upon the Teacher’s retirement, the gratuity shall be paid out at the lesser of,
   (a) the rate of pay specified by the board’s system of sick leave credit gratuities that applied to the Teacher on August 31, 2012; and
   (b) the Teacher’s salary as of August 31, 2012.

3) If a sick leave credit gratuity is payable upon the death of a Teacher, the gratuity shall be paid out in accordance with subsection (2).

4) For greater clarity, all eligibility requirements must have been met as of August 31, 2012 to be eligible for the aforementioned payment upon retirement, and the Employer and Union agree that any and all wind-up payments to which Teachers without the necessary years of service were entitled to under Ontario Regulation 01/13: Sick Leave Credits and Sick Leave Credit Gratuities, have been paid.

5) For the purposes of the following boards, despite anything in the board’s system of sick leave credit gratuities, it is a condition of eligibility to receive a sick leave credit gratuity that the Teacher have 10 years of service with the board:
   i. Near North District School Board
   ii. Avon Maitland District School Board
   iii. Hamilton-Wentworth District School Board
   iv. Huron Perth Catholic District School Board
   v. Limestone District School Board

LETTER OF AGREEMENT #4: Benefits

BETWEEN
The Ontario Public School Boards’ Association  
(hereinafter called ‘OPSBA’)
AND
The Ontario Secondary School Teachers’ Federation  
(hereinafter called the ‘OSSTF’)
AND
The Crown

The parties agree that, once all employees to whom this memorandum of settlement of the central terms applies become covered by the employee life and health trust contemplated by this Letter of Agreement, all references to life, health and dental benefits in the applicable local collective agreement shall be removed from that local agreement.

The employee representatives, the employer representatives, and the Crown, intend to establish an OSSTF Employee Life and Health Trust (ELHT), (hereinafter, the “Trust”), to provide benefits to teachers and other education workers in the Province of Ontario in accordance with section 144.1 of the Income Tax Act (Canada) (“ITA”). School board benefit plans, herein referred to as ‘benefit plans’ can only be moved into the Trust, such that the Trust will be in compliance with the ITA and CRA administrative requirements for an ELHT (the “ELHT Requirements”). It is intended that the Trust be effective September 1, 2016, and that school boards will participate in this Trust no later than November 1, 2017. The date on which a benefit plan commences participation in the Trust shall be referred to herein as the “Participation Date”.

The parties acknowledge that the establishment of the Trust represents a substantial commitment both within and beyond the term of the current collective agreement. This letter of understanding is conditional upon its terms continuing in full force and effect beyond the termination date of the collective agreement, and is made in detrimental reliance upon such continuation.

1.0.0 PRINCIPLES

1.1.0 The Trust will be governed by the employee representatives and the employer representatives, together with the Crown;

1.2.0 The Trust will be responsible for the delivery of benefits on a sustainable, efficient and cost effective basis;

1.3.0 Services provided by the Trust to be available in both official languages, English and French; and

1.4.0 Other employee groups may join the Trust. The Trust will develop an affordable benefits plan that is based on the funding available to the employee groups.

2.0.0 GOVERNANCE

2.1.0 Board of Trustees

2.1.1 The Board of Trustees will be comprised of 9 voting members that include 5 employee representatives and 4 employer representatives. The Board of Trustees will include among its members two independent experts, one representing the employer representatives and one representing the employee representatives. The employee representatives will be responsible for the appointment and termination of the employee Trustees, and the employer representatives will be responsible for the appointment and termination of the employer Trustees.
2.1.2 The appointed independent experts will:
   a. Come from outside of the following organizations: the Trust, the shared services office supporting the Trusts, the federations, the school boards and the Government;
   b. Have no conflict of interest in their role as trustee on the Benefit Plan Trust; and
   c. Be accredited from one of the following fields: actuarial science, law or, Certified Employee Benefit Specialist (CEBS) or accounting, and have demonstrated experience with employee benefit plans.

2.1.3 Other experts may be invited to the Trust in an advisory capacity and will not maintain any voting rights.

2.1.4 All voting requires a simple majority to carry.

2.1.5 Each Trustee will have an initial term of three years. Terms may be renewed twice, subject to a maximum tenure of nine years. A succession plan will be designed for the Trustees so that the terms of no more than three Trustees expire in any twelve month period.

3.0.0 ELIGIBILITY and COVERAGE

3.1.0 The following teachers represented by OSSTF are eligible to receive benefits through this Trust:

3.1.1 The Trust will maintain eligibility for OSSTF represented employees who are covered by the Central Collective Agreement (“OSSTF represented employees”) and currently eligible for benefits in collective agreements. The Trust will also be permitted to provide coverage to other employee groups in the education sector with the consent of their bargaining agents and employer or, for non-union groups, in accordance with an agreement between the Trustees and the school authority. These groups must request inclusion in the Trust, and must agree to comply with the Trust’s financial, data and administrative requirements. The Trustees will develop an affordable plan based on the level of funding that the group brings to the Trust.

3.1.2 Retirees who were, and still are, members of a Board benefit plan at August 31, 2013 based on the prior arrangements with the Board.

3.1.3 Retirees who became members of a Board benefit plan after August 31, 2013 and before the Board participation date are segregated in their own experience pool, and the premiums are fully paid by the retirees.

3.1.4 No individuals who retire after the Board participation date are eligible.

3.1.5 Retirees that join are subject to the provisions in 3.1.2 through 3.1.4.

3.1.6 Any new group that requests inclusion into the Trust, will be provided a generic branding for their respective benefits plan.

3.2.0 The benefit plan may provide coverage for health, life and dental benefits including accidental death and dismemberment (AD&D), medical second opinion, and navigational support. After the initial establishment of the Trust, other employee benefit programs may be considered for inclusion, only if negotiated in future central collective agreements.

4.0.0 FUNDING

4.1.0 Start-Up Costs

4.1.1 The Government of Ontario will provide:

a. A one-time contribution to the Trust equal to 15% of annual benefit costs to establish a Claims Fluctuation Reserve (“CFR”).

b. A one-time contribution of a half month’s premium cost (4.15% of annual benefit costs) to the Trust, to cover start-up costs and/or reserves.
c. The one-time contributions in (a) and (b) will be based on the actual cost per year for benefits (i.e. claims, premiums, administration, tax, risk or profit charges, pool charges, etc.) as reported on the insurance carrier’s most recent yearly statement for the year ending no later than August 31, 2015.

d. The Trust shall retain rights to the data and the copy of the software systems.

4.1.2 The Crown shall pay to OSSTF $2.5 million of the startup costs referred to in s.4.1.1(b) on the date of ratification of the central agreement and shall pay to OSSTF a further $2.5 million subject to the maximum amount referred to in s.4.1.1(b) by June 1, 2016. The balance of the payments, if required under s.4.1.1(b), shall be paid by the Crown to OSSTF on or before September 1, 2016.

4.1.3 On the day the District School Boards, the Provincial Schools Authority, school authorities, and Hospital Boards hereinafter referred to as the “Boards” commence participation in the Trust, or as soon as reasonably and feasibly possible thereafter, all eligible and available surpluses in board-owned defined benefit plans will be transferred to the Trust in an amount equal to each employee’s pro rata share based on the amount of the employee’s co-share payment of each benefit. The remaining portion of the Boards’ surplus will be retained by the Boards.

4.1.4 All Boards reserves for Incurred But Not Reported (“IBNR”) claims and CFR, will remain with the existing carriers until those reserves are released by the carriers based on the terms of existing contracts.

4.1.5 Upon release of each Board’s IBNR and CFR by the carriers, the reserves will be retained by the applicable Boards. For the Administrative Services Only plans (ASO), a surplus (including any deposits on hand) that is equal to or less than 15% of the Boards’ annual benefit cost will be deemed to be a CFR and IBNR and will be retained by the applicable Boards upon its release by the carriers. Where a surplus (including deposits on hand) exceeds 15% of the annual benefit cost, the remaining amount will be apportioned to the Boards and the Trust based on the employers’ and employees’ premium share.

4.1.6 For policies where the experience of multiple groups has been combined, the existing surplus/deficit will be allocated to each group based on the following:

   a. If available, the paid premiums or contributions or claims costs of each group; or

   b. Failing the availability of the aforementioned financial information by each group, then the ratio using the number of Full Time Equivalent positions (FTE) covered by each group in the most recent policy year will be used.

Methodology listed above will be applicable for each group leaving an existing policy where the experience of more than one group has been aggregated. Policies where the existing surplus/deficit has been tracked independently for each group are not subject to this provision.

4.1.7 Boards with deficits will recover the amount from their CFR and IBNR. Any portion of the deficit remaining in excess of the CFR and IBNR will be the responsibility of the board.

4.1.8 In order to ensure the fiscal sustainability of said benefit plans, Boards will not make any withdrawal, of any monies, from any health care benefit plan reserves, surpluses and/or deposits nor decrease in benefit plan funding unless in accordance with B-Memo B04:2015. It is the parties understanding that Ministry of Education Memo B04:2015 applies and will remain in effect until Board plans become part of the Trust.

4.2.0 On-Going Funding

4.2.1 For the current term the Boards agree to contribute funds to support the Trust as follows:

   a. The Boards will continue to provide benefits in accordance with the existing benefit plans and co-pay arrangements until the Employees’ Participation Date in the Trust.
b. On the participation date, for board-owned defined benefit plans, the board will calculate the annual amount of i) divided by ii) which will form the base funding amount for the Trust;

   i) “Total cost” means the total annual cost of benefits and related costs including but not limited to claims, administration expenses, insurance premiums, consulting and advisory fees and all other costs and taxes, as reported on the insurance carrier’s most recent yearly statement and, if any, premium costs on other school authority financial statements for the year not ending later than August 31, 2015. The statements are to be provided to the Ministry of Education.

   ii) The average number of Full-Time Equivalent (FTE) positions in the bargaining unit as at October 31st and March 31st for the period consistent with b i).

c. All amounts determined in this Article 4 shall be subject to a due diligence review by the OSSTF. The school authorities shall cooperate fully with the review, and provide, or direct their carriers or other agents to provide, all data requested by the OSSTF. If any amount cannot be agreed between the OSSTF and a school authority, the parties shall make every effort, in good faith, to resolve the issue using the data provided, supporting information that can be obtained and reasonable inferences on the data and information. If no resolution to the issue can be achieved, on any material matter, then this Letter of Understanding shall be null and void, no Participation Dates for any Boards shall be triggered and the benefits related provisions of all local agreements, as they were before the adoption of this Letter of Understanding, shall remain in full force and effect.

d. On the participation date, the board will contribute to the Trust the amount determined in s. 4.2.1 (b) plus 4% for 2015-16 and 4% for 2016-17.

e. An amount of $300 per FTE, in addition to (d) will be provided.

f. To the extent that there is an increase agreed to prior to September 1, 2016 at another bargaining table that is beyond the base funding amount for that table, the same amount per FTE will be provided to the Trust if it is in excess of the amount in (e).

g. On the participation date, for defined contribution plans, the board will contribute to the Trust, the FTE amount indicated in the collective agreements for the fiscal year 2013-14, plus 4% for 2015-16 and 4% for 2016-17. In 2014-15, for Federation owned plans, if in aggregate, the following three triggers are met:

   i) there is an in-year deficit,

   ii) that the deficit described in i) is not related to plan design changes,

   iii) that the aggregate reserves and surpluses are less than 8.3% of total annual costs/premiums,

then the in-year deficit in i) would be paid by the board associated with the deficit.

h. With respect to (b) and (d), above, the contributions provided by the Board will include the employees’ share of the benefit cost as specified by the board’s collective agreement until such time that the employees’ share is adjusted as determined by the Trust and subject to the funding policy.

i. The terms and conditions of any existing Employee Assistance Program shall remain the responsibility of the respective boards and not the Trust.

j. The FTE used to determine the Boards’ benefits contributions will be based on the boards’ FTE as of October 31st and March 31st of each year. Each Board’s total FTE shall be verified by the Local Bargaining Unit.

k. All Long-Term Occasional employees will be eligible for benefits under the Trust subject to the appropriate waiting period for benefits as defined under the school board collective

Part A-20
agreements. Any co-pay arrangements that exist under school board collective agreements will continue under the Trust.

I. With respect to daily occasional teachers, where payment is provided in-lieu of benefits coverage, this arrangement will remain the on-going obligation of the boards. Where benefits coverage was previously provided by the boards, payment-in-lieu will be provided.

Effective September 1, 2017, 4.2.1 I) is replaced with the following:

Eligible daily occasional teachers in the four boards listed below shall be entitled to the lesser of a) the following table amounts and b) the actual benefit plan cost multiplied by the percentage of the existing employer co-pay in the 2012-2014 local collective agreements, to be used for the sole purpose of purchasing from among health, life and/or dental benefit plans:

These amounts shall be prorated for the portion of the year that the daily occasional teacher enrolls in the plan. Eligibility criteria for these amounts are based on the number of days worked in the previous school year, and varies by board. Payments will be provided to the eligible daily occasional teacher on a monthly basis.

m. Funding previously paid under (b), (d), (e) and (f) above will be reconciled to the agreed October 31st and March 31st FTE and any identified difference will be remitted to the Trust in a lump sum on or before the last day of the month following reconciliation.

n. In the case of a dispute regarding the FTE number of members for whom the provincial benefits package is being provided, the dispute will be resolved at the boards’ joint staffing committee.

o. As of the day that a Board commences participation in the Trust, Boards will submit an amount equal to 1/12th of the negotiated funding amount as defined in s. 4.2.1 (b), (d), (e) and (f) to the Plan’s Administrator on or before the last day of each month.

5.1.0 SUSTAINABILITY, EFFICIENCY AND ACCOUNTABILITY

5.1.0 Shared Services

5.1.1 OSSTF agrees to adopt a shared services model that will allow other Trusts to join the shared services model. The shared services office of the Trust is responsible for the services to support the administration of benefits for the members, and to assist in the delivery of benefits on a sustainable, efficient and cost effective basis.

5.1.2 Shared administrative services will be provided by the Ontario Teachers Insurance Plan (“OTIP”) for a period of three years from the commencement of the first participation date and will be competitively procured within 4 years from the employee representative group’s last participation date.

5.1.3 Any procurement of services to support the administration of benefits conducted by the shared services office should include the procurement of these services for all Trusts to ensure the most efficient and cost effective service.

5.2.0 Board of Trustees’ Responsibilities

5.2.1 The Board of Trustees will be responsible for the operational and financial sustainability of the Trust, including:

a. Validation of the sustainability of the respective Plan Design;
b. Establishing member contribution or premium requirements, and member deductibles;
c. Identifying efficiencies that can be achieved;
d. Adopting an Investment Policy; and
e. Adopting a Funding Policy.

5.2.2 Under the Funding Policy, surpluses at the Trust may not be refunded or distributed in cash, but may be used, as determined by the Trust to:

a. Fund future claims in conjunction with the fixed funding and term contained in the collective bargaining agreement;
b. Fund claims stabilization or other reserves;
c. Improve plan design;
d. Expand eligibility (subject to Section 3.1.2 through to 3.1.4); and
e. Reduce member premium share.

5.2.3 Under the Funding Policy, actual and projected funding deficiencies of the Trust will be addressed no later than the next regular plan renewal (as of September 1st) using one or more of the following methods, as determined by the Trust:

a. Use of existing claims stabilization funds;
b. Increased member share premium;
c. Change plan design;
d. Cost containment tools;
e. Reduced plan eligibility; and
f. Cessation of benefits, other than life insurance benefits.

5.3.0 Accountability

5.3.1 Actuaries and external auditors will be appointed by the Trust. Audited financial statements, and an actuarial evaluation report will be obtained for the Trust on an annual basis. The actuarial report will include projections for the Trust for a period of not less than 3 years into the future.

5.3.2 If the actuarial report projects the CFR balance to be less than 8.3% of plan expenses over a projected three year period, then a plan design change must be made to address the projected shortfall in the CFR. If the motion to adjust the plan design does not pass, the Trust will increase member share premiums to restore the balance above 8.3%.

5.3.3 Copies of the audited financial statements and actuarial evaluation report requested in section 5.3.1 will be shared with the federation, OPSBA and the Ministry of Education.

6.0.0 TRANSITION COMMITTEE

6.1.0 A transition committee comprised of the employee representatives and the employer representatives, including the Crown, will be established to address all matters that may arise in the creation of the Trust.

LETTER OF AGREEMENT #6: Status Quo Central Items as Modified by this Agreement

BETWEEN

The Ontario Public School Boards’ Association
(hereinafter called ‘OPSBA’)

AND

The Ontario Secondary School Teachers’ Federation
(hereinafter called the ‘OSSTF’)

The parties agree that the following central issues have been addressed at the central table and that the provisions shall remain status quo. For further clarity, the following language must be aligned with current local provisions and practices to reflect the provisions of the 2012-13 MOU. As such the following issues shall not be subject to local bargaining or mid-term amendment by the local parties. Disputes arising in respect of such provisions shall be subject to Section 43 of the School Boards Collective Bargaining Act, 2014.

1. Pregnancy Leave Benefits

Common Central Provisions

a) The Employer shall provide for permanent and long-term occasional teachers and teachers hired into a term position who access such leaves, a SEB plan to top up their E.I. Benefits. The teacher who is eligible for such leave shall receive salary for a period immediately following the birth of her child, but with no deduction from sick leave or the Short Term Leave Disability Program (STLDP). The SEB Plan pay will be the difference between the gross amount the teacher receives from E.I. and her regular gross pay.

b) SEB payments are available only to supplement E.I. benefits during the absence period as specified in this plan.

c) Teachers hired in a term position or filling a long-term assignment shall be entitled to the benefits outlined in a) above, with the length of the SEB benefit limited by the term of the assignment.

d) Teachers on daily casual assignments are not entitled to pregnancy leave benefits.

e) The teacher must provide the Board with proof that she has applied for and is in receipt of employment insurance benefits in accordance with the Employment Insurance Act, as amended, before SEB is payable.

f) Teachers not eligible for employment insurance benefits or the SEB plan will receive 100% of salary from the employer for a total of not less than eight (8) weeks with no deduction from sick leave or STLDP.

g) For clarity, for any part of the eight (8) weeks that falls during a period of time that is not paid (e.g. summer, March Break, etc.), the remainder of the eight (8) weeks of top-up shall be payable after that period of time.

h) Teachers who require a longer than eight (8) week recuperation period shall have access to sick leave and the STDLP through the normal adjudication process.
i) If an employee begins pregnancy leave while on an approved leave from the employer, the above maternity benefits provisions apply.

j) The start date for the payment of the pregnancy benefits shall be the earlier of the due date or the birth of the child.

k) Births that occur during an unpaid period (i.e. summer, March break, etc.) shall still trigger the pregnancy benefits. In those cases the pregnancy benefits shall commence on the first day after the unpaid period.

Local Bargaining Units will identify which of the SEB plans below apply in their circumstance. The applicable language must be included with the Common Central language above as paragraph l). The full article should then reside in Part B of the collective agreement;

1. A SEB plan to top up their E.I. Benefits for eight (8) weeks of 100% salary is the minimum for all eligible teachers. The teacher who is eligible for such leave shall receive 100% salary for a period not to exceed eight (8) weeks immediately following the birth of her child but with no deduction from sick leave or the Short Term Leave Disability Program (STLDP). The SEB Plan pay will be the difference between the gross amount the teacher receives from E.I. and their regular gross pay;

2. A SEB plan with existing superior entitlements;

3. A SEB or salary replacement plan noted above that is altered to include six (6) weeks at 100%, subject to the aforementioned rules and conditions, plus meshing with any superior entitlements to maternity benefits. For example, 17 weeks at 90% pay would be revised to provide 6 weeks at 100% pay and an additional 11 weeks at 90%.

2. Workplace Safety Insurance Benefits (WSIB) Top Up Benefits

If the employee is in a class of employees that, on August 31, 2012, was entitled to use unused sick leave credits for the purpose of topping up benefits received under the Workplace Safety and Insurance Act, 1997;

a) The top-up amount shall be paid for a maximum of four years and six months.

b) The top-up amount shall be paid at a rate determined in accordance with the collective agreement in effect on August 31, 2012 or, if the collective agreement did not provide for the top up, in accordance with a board policy in effect on August 31, 2012.

c) If, as a result of an accident, an employee received benefits under the Workplace Safety and Insurance Act, 1997 in respect of the first workday in the 2012-2013 fiscal year, the employee's entitlement to be topped up for four years and six months shall be reduced by the length of time for which the employee received benefits under that Act as a result of that accident.

d) Status quo to be determined.

3. Short Term Paid Leaves

The parties agree that the issue of Short Term Paid Leaves had been addressed at the Central Table and the provisions shall remain status quo to provisions in current local collective agreements. For clarity, any leave of absence in the 2008-2012 Collective Agreement, that utilizes deduction from sick leave, for reasons other than personal illness shall be granted without loss of salary or deduction from sick leave, to a maximum of five (5) days per school year. Local collective agreements that have more than (5) days shall be limited to five (5) days. These days shall not be used for the purpose of sick leave nor shall they be accumulated from year-to-year.

Such provisions shall not be subject to local bargaining or mid-term amendments between local parties. Notwithstanding this stipulation, local collective agreement terms will need to align with the terms above.
4. Retirement Gratuities

The issue of Retirement Gratuities has been addressed at the Central Table and the parties agree that formulae contained in current local collective agreements for calculating Retirement Gratuities shall govern payment of retirement gratuities and be limited in their application to terms outlined in Appendix A - Retirement Gratuities.

Disputes arising in respect of such provisions shall be subject to Section 43 of the School Boards Collective Bargaining Act, 2014.

The following language shall be inserted unaltered as a preamble to Retirement Gratuity language into every collective agreement:

“Retirement Gratuities were frozen as of August 31, 2012. A Teacher is not eligible to receive a sick leave credit gratuity or any non-sick leave credit retirement gratuity (such as, but not limited to, service gratuities or RRSP contributions) after August 31, 2012, except a sick leave credit gratuity that the Teacher had accumulated and was eligible to receive as of that day.

The following language applies only to those teachers eligible for the gratuity above:”

This arrangement would be available for the period the new administrator’s position is acting and may be extended by mutual consent to a maximum of two years.

**L4.0 GRIEVANCE AND ARBITRATION PROCEDURE**

L4.1 Within the terms of this Agreement a grievance is a difference relating to the interpretation, application, administration or alleged violation of this Agreement, including any question as to whether a matter is arbitrable.

L4.2 A Teacher or group of Teachers shall, prior to filing a grievance as hereinafter provided, attempt by informal discussion with the appropriate principal, or, if the Teacher does not report to a principal, with the Teacher's immediate supervisor, to resolve any matter which could be the subject of a grievance prior to filing a written grievance hereunder. In this discussion the Teacher or group of Teachers may be accompanied by a representative of the Bargaining Unit.

L4.3 Where it could reasonably be expected that an incident would lead to discipline or discharge, the principal or immediate supervisor will inform the Teacher that they may be accompanied by a representative of the Bargaining Unit.

L4.4 As part of its investigation the Board will give the Teacher an opportunity to respond to all of the allegations of which the Board is aware.
L4.5 A grievance may be filed on behalf of a Teacher or a group of Teachers by the Bargaining Unit at Step One within the next 20 school days following the day the cause of the grievance became known or reasonably ought to have been known to the Teacher.

L4.6 A grievance relating to the discharge or discipline of a Teacher may be filed at Step Two with the agreement of the Bargaining Unit. In any other event, such grievance shall be filed at Step One.

L4.7 **Step One**

If no resolution is reached under L4.2 a grievance may be submitted by the Bargaining Unit on behalf of a Teacher or a group of Teachers to the Director or designate in writing, signed by the president of the Bargaining Unit or designate. A copy shall be given to the appropriate principal or immediate supervisor.

L4.8 The grievance shall state the clause or clauses of this Agreement that it is alleged have been violated.

L4.9 The Director or designate shall attempt to resolve the grievance within ten school days of receipt of the grievance and may meet with the grievor(s) and the Bargaining Unit representative at a mutually agreeable time.

L4.10 **Step Two**

If no settlement is reached at Step One, the Bargaining Unit on behalf of the Teacher or group of Teachers may within ten school days, request representatives of the Bargaining Unit and representatives appointed by the Board to meet to attempt to settle the grievance. The representatives shall meet within ten school days of the Bargaining Unit requesting such a meeting.

L4.11 If the grievance is not settled within ten school days of the meeting or after written response has been given if earlier than ten school days or upon expiry of time limits, it may be referred to arbitration within thirty school days in accordance with L4.16.

L4.12 The Board or Bargaining Unit may initiate a policy or group grievance beginning at Step Two of the grievance procedure. The Board or Bargaining Unit shall initiate such policy or group grievance by giving notice to the other party within 90 school days following the day that the cause for the grievance became known or reasonably ought to have been known to the grieving party.

L4.13 The time within which such grievance may be brought may extend up to 90 days beyond the term of this Agreement if the day the cause became known or reasonably ought to have been known is within 90 school days preceding the end of the term of this Agreement.

L4.14 Any such grievance may be referred to arbitration as provided for below.

L4.15 A grievance relating to L45.0 will still be lodged within the time limits of the Collective Agreement but its consideration may be deferred until after L45.28 where applicable, has been implemented with respect to a specific Teacher or group of Teachers and any such grievance shall be lodged at Step Two in accordance with the procedure given thereunder. In the event of a grievance or grievances being lodged under this clause other Teachers may be identified as surplus to a maximum equal to the number of Teachers grieving, pending the determination of the grievance.

L4.16 Where a grievance relates to the interpretation, application, administration or alleged violation of this Agreement including any question as to whether a matter is arbitrable, the Board or Bargaining Unit may, after the grievance procedure established by this Agreement has been complied with, notify the other party in writing of its desire to submit the grievance to arbitration.

L4.17 The notice shall specify whether the Board or the Bargaining Unit giving the notice desires a single arbitrator or a board of arbitration, and if the latter, shall specify the party's appointee to the board of
arbitration. A Board or Bargaining Unit not wishing a single arbitrator shall so advise the originating party within 15 school days and shall so advise the originating party, at the same time, of the name of the person who the responding Board or Bargaining Unit has appointed to the board of arbitration. The originating party shall then appoint its nominee within five school days of being advised of the appointee of the other party.

L4.18 It is the right of the Board or Bargaining Unit to have any grievance referred to arbitration heard by an arbitration board rather than a single arbitrator.

L4.19 The two appointees or, in the case of a single arbitrator, representatives of the Board and Bargaining Unit shall as soon as possible appoint an arbitrator or the chairperson of the arbitration board. If either party fails to appoint an arbitrator or, if the appointees fail to agree on a chairperson, or if the representatives cannot agree on a single arbitrator, the appointment shall be made by the Minister of Labour upon the request of either party. The arbitrator or the arbitration board shall hear and determine the grievance, shall issue a decision and the decision shall be final and binding on the parties. The decision of a majority shall be the decision of the arbitration board, but if there is no majority the decision of the chairperson shall govern.

L4.20 Either party may, if the caseload warrants or if unreasonable delays are encountered in obtaining hearing dates, request the other party to consider means of expediting the process which may include a predetermined list of arbitrators, more expeditious methods of handling certain types of grievances, etc.

L4.21 The single arbitrator or the board of arbitration shall determine its own procedure but shall give full opportunity to all parties to present evidence and make representations.

L4.22 The single arbitrator or board of arbitration shall have the power to amend technical deficiencies of the grievance and modify penalties including disciplinary penalties but shall not by its decision add to, delete from, modify or otherwise amend the provisions of this Agreement.

L4.23 No person shall be appointed as an arbitrator who has been involved in an attempt to negotiate or settle the grievance.

L4.24 The time limits prescribed in L4.0 to L4.22 shall be calculated excluding the date the cause became known, or reasonably ought to have been known, but including the last day of the prescribed time limit.

L4.25 Each of the parties shall bear the expense of its appointee, if any, to the arbitration board, and one-half the expense of the chairperson or single arbitrator. The parties shall pay their own expense of appearing at the hearing of the arbitration board.

L4.26 No action of any kind shall be taken against any person because of that person's participation in the grievance or arbitration procedures under this Agreement.

L4.27 If a grievance is not initiated within the time limit set forth in L4.5 or L4.12 or is not processed to the next higher step or to arbitration within the time limits prescribed, the grievance shall be deemed to be abandoned. The parties may by mutual consent agree to extend the time limits provided for herein. For the purpose of this grievance procedure the term "school days" as used herein shall mean a day that is within a school year and is not a school holiday.

L4.28 If there are several grievances concerning similar matters, they may be heard or considered together as one grievance.

L4.29 A Teacher may be disciplined only for just cause.
L4.30 If a grievance concerns the discipline of a Teacher, including disciplinary dismissal, or discharge for incompetence, or just cause, the arbitration board may confirm the decision of the Board or reinstate the Teacher with or without full compensation or otherwise modify the penalty.

L4.31 A grievance involving remuneration may be initiated up to twelve (12) calendar months after the cause reasonably ought to have become known but the twelve (12) month period cannot extend beyond two (2) contract years.

**L5.0. INDIVIDUAL RIGHTS**

L5.1 Both the Board and Bargaining Unit shall comply with the Ontario Human Rights Code. Any alleged violation shall be dealt with pursuant to the procedures in the Code.
PART II - SALARY

L6.0 PLACEMENT ON THE SALARY SCALES

L6.1 All Teachers except for co-ordinators and assistant co-ordinators shall be placed on the salary scale according to the Group as determined in L6.2 and Equivalent Teaching Experience.

L6.2 The group placement of a Teacher shall be determined by the Board based upon the Certification Rating Statement of OSSTF and the Group definitions set out in the OSSTF Certification Plan as of July 1 immediately prior to the start of a school year and take effect September 1 of each school year.

L6.3 The Board shall neither reverse nor reconsider any determination made by it pursuant to L6.2 except in the case of error, fraud or misrepresentation in the documentation furnished by the Teacher.

L6.4 Notwithstanding the foregoing, in the case of a newly hired Teacher or a Teacher requesting a change in Group placement, the Board shall not be precluded from making a tentative determination of Group placement of a Teacher and reversing or reconsidering the same within one month of receipt of the appropriate certification documentation at the designated office of the Board if such documentation reveals that the tentative determination was made on the basis of incomplete or inaccurate documentation. The Board will provide receipts giving the date, time of delivery, and a list of the documentation provided by the Teacher.

L6.5 Except in the case of fraud or misrepresentation in the documentation furnished by the Teacher, no Teacher employed with the Board during the current school year shall be paid on the basis of a lower Group than the Group in which that Teacher was last paid prior to September 1 of the current school year, while the Teacher remains employed as a Teacher with the Board.

L6.6 A Teacher's Grid Salary shall be determined for a school year on the Teacher's qualifications as at September 1 of that school year provided that if the Teacher furnishes notice in writing by December 15 of a change in qualifications effective September 1 of that school year, Group placement shall be made on the basis of the new qualifications with the corresponding Grid Salary change retroactive to September 1. If the Teacher furnishes notice in writing by June 1 of a change in qualifications effective January 1 of that school year, Group placement shall be made on the basis of the new qualifications with the corresponding Grid Salary change retroactive to January 1. Except when the Board makes a tentative determination of Group placement under L6.4 payment shall not be made on the basis of the changed qualifications until proof of the change in qualifications has been submitted to the Board.

L6.7 A Teacher shall submit all necessary written proof of the change in qualifications to the Executive Superintendent of Employee Services or designate within one month of receiving all of the necessary documentation.

L6.8 It shall be the responsibility of the Teacher to apply promptly for any necessary written proof of a change in qualifications.

L6.9 No overpayment or underpayment prior to September 1 of the current school year (or the first day of instruction in August for year-round school programs) that resulted from incorrect Group placement shall be recoverable or payable unless the incorrect placement was made as a result of fraud or misrepresentation.

L6.10 Notwithstanding L6.9 in the case of a dispute in regard to Group placement initiated prior to the commencement of the current school year, an overpayment, or underpayment may be recoverable or payable for a period within the school year commencing immediately prior to September 1 of the current school year.
L6.11 The Teacher's salary step in each Group shall be determined by the Equivalent Teaching Experience credited to the Teacher.

L6.12 A year or partial year of Teaching Experience in Ontario shall have been performed for a school or board as recognized by the Education Act, as amended from time to time and Regulations thereunder and shall be determined as follows:

L6.13

Total Salary paid to the Teacher in a school year
Full-time Total Salary for that Teacher in that school year (rounded to the nearest first decimal place)

Notwithstanding the formula set out above, a Teacher hired as a Teacher on or before October 31 of any school year during the term of this Agreement shall be credited with an amount of Teaching Experience equal to that which the Teacher would have received had the Teacher worked for the complete year.

L6.14 For the purposes of determining Teaching Experience, the employment of a Teacher who has taught for the Board as a substitute for a Teacher for fifteen (15) or more consecutive instructional school days immediately prior to entering into that employment as a Teacher shall be deemed to have commenced on the initial day of the fifteen (15) or more consecutive instructional days.

Effective September 1, 2009 for the purposes of determining Teaching Experience, the employment of a Teacher who has taught for the Board as a substitute for a Teacher for ten (10) or more consecutive instructional school days immediately prior to entering into that employment as a Teacher shall be deemed to have commenced on the initial day of the ten (10) or more consecutive instructional days.

L6.15 Commencing September 1, 1975, a Teacher who has taught for the Board as a substitute for a Teacher for 20 or more consecutive instructional days and who subsequently becomes employed as a Teacher with the Board shall be granted 1/10 of a year of Teaching Experience for each of such 20-day periods.

L6.16 Effective September 1, 1991 a Part-time Teacher who also teaches for the Board as a long term Occasional Teacher shall be granted 1/10 of a year of Teaching Experience for each 20 full-time equivalent day period of the long term occasional assignment.

L6.17 Notwithstanding L1.23, effective September 1, 2005, Teaching Experience for newly hired Teachers shall include experience gained as an Adult Day School Continuing Education Teacher with the Toronto District School Board for each school year, to be calculated as:

Number of credits taught in a Continuing Education adult day school
13

L6.18 In order to constitute Teaching Experience, years of Teaching Experience outside Ontario shall be accepted as reported by boards, provinces, or territories within Canada or appropriate education authorities of foreign countries or recognized international agencies by which the Teacher was employed as a regular day school teacher provided that the Teacher's qualifications during those years of teaching were equivalent to the qualifications required to obtain a teaching certificate in Ontario at the time the Teacher is hired.

L6.19 Experience in teaching outside Ontario shall be credited as Teaching Experience if the Teacher's academic qualifications at the time of teaching were not appreciably lower than those required at that time to teach for a board in Ontario. Credit for such experience shall not be denied merely because specialized teacher training was not required by the authority having jurisdiction in the area where the teaching experience was obtained. Teaching outside Ontario on a leave of absence without pay from the Toronto District School Board shall not constitute recognized Teaching Experience.
L6.20  For the purpose of Related Experience:

a) Credit may not be given for experience used to obtain entrance to a faculty of education, or for
summer employment.

b) Credit may be given for Related Experience obtained prior to graduation from university.

c) The maximum credit that may be given for Related Experience is seven (7) years.

d) A year or partial year of Related Experience shall be determined in terms of a calendar year,
rounded to the nearest first decimal place.

L6.21  Upon ratification of this agreement, all rules, policies and protocols relating to the determination of
Related Experience shall be included in the New Hire Package. A copy of the rules, policies and
protocols shall be submitted to the Bargaining Unit.

L6.22  Effective September 1, 2001 Related Experience for continuing education in an adult day school shall,
for each school year, be calculated as:

\[
\text{Number of credits taught in a Continuing Education adult day school} = 13
\]

L6.23  For the purpose of L6.22, number of credits means only the number of credit or Credit-Equivalent
Courses taught for continuing education in an adult day school of the Board.

L6.24  Equivalent Teaching Experience shall not exceed 1.0 years for any period commencing September 1
and ending the following August 31.

L6.25  A Teacher employed with the Board during the term of this Agreement shall not be granted less credit
for Equivalent Teaching Experience than the credit the Teacher was granted while employed with the
Board during the school year immediately preceding the commencement of this Agreement plus the
Teaching Experience gained since that school year.

L6.26  The total salary to be paid a Part-time Teacher shall be .5 of a full-time total salary for that Teacher in
that school year.

L6.27  A Teacher, upon returning from leave, shall be placed on the salary step as provided for herein subject
to any terms or conditions under which the leave was granted.

L6.28  A Teacher may request the assistance of the Bargaining Unit in the determination of that Teacher's
years of Equivalent Teaching Experience and the decision of the Board shall be subject to the
grievance procedure herein.

L6.29  A Teacher may request the assistance of the Bargaining Unit in the review of the Teacher's salary
placement once during the term of the Teacher's employment with the Board. A Teacher may request a
further review upon a change or changes in Group placement. The Board shall supply within 30 days,
upon request, and with the approval of the Teacher all necessary documents for such review. Such
requests shall be made only during the school year and shall be limited by the Bargaining Unit in any
month to not more than ten per cent of its membership who are eligible for such review.

L6.30  The Board shall provide to the Bargaining Unit information on a composite basis relating to the
qualifications, Group placement, salary step and insured employee benefit status of the Bargaining Unit
members based on October 31 and March 31 data and shall notify the Bargaining Unit in writing of any
changes which occur in respect of the foregoing by December 15 and April 15 of each school year. All
updates are to be provided to the Bargaining Unit when completed.
At an appropriate time and no later than May 1, the Board shall provide to the Bargaining Unit that information concerning the seniority status of Teachers which is necessary for the implementation of the Surplus Procedures in L45.0 and following.

Information regarding staffing (e.g. number of resignations, retirements and hires) will be shared on a regular basis with the Bargaining Unit as part of the staffing meeting process.

(b) if no such position is vacant, such assignment shall be made to replace another Teacher if the other Teacher has less seniority and is the least senior Teacher in the Board in that subject or combination of subjects, and

(c) such assignment may displace a Teacher who holds a continuing Position of Responsibility.

L45.27 Prior to June 15 tentative assignments may be changed as an opening occurs such that:

(a) where possible, a Teacher who was originally declared surplus to that school shall fill the available position in accordance with L45.16.

(b) Teachers’ preferences shall be considered in order of seniority.

L45.28 If after June 15, a position becomes available in the Board, that specific position shall be filled, if possible, by a Teacher who is surplus to the Board.

L45.29 A new teacher shall not be hired to fill a vacant position in any subject, area of instruction or grade until a Teacher in the employ of the Board, who has been declared surplus, and who is qualified to fill the position has been placed.
L45.30 If a Teacher disagrees with the Teacher's listing as surplus or objects to the Teacher's assignment to another position, the Teacher may discuss the same with Executive Superintendent of Employee Services or designate of the Board. The Teacher will be informed that they may be assisted by a representative of the Bargaining Unit.

L45.31 A Teacher who remains surplus will be notified on or before June 30 that the Teacher's employment is terminated effective August 31.

However, if such Replacement Teacher does not, during the period September 1 through June 30, complete the 97 school days (or a complete semester), then that Replacement Teacher shall not be an "eligible Replacement Teacher" and any placement and/or listing made on the basis of that Replacement Teacher being an "eligible Replacement Teacher" shall be undone.

L46.3 "Eligible Replacement Teachers" may include those currently employed as Replacement Teachers as well as those whose fixed terms have been completed but shall not include those for whom the Board has not, as of April 15, received the completed form.

L46.4 In order to maintain rights under L46.0 an "eligible Replacement Teacher" must keep the Board advised of the teacher's current address and telephone number; must ensure the form set out under L46.3 is received by the Board before April 15; and must be able to respond personally and expeditiously to any offer of employment.

L47.3 If there are no full-time Teachers who remain surplus to the Board after May 15 based on the March 15 enrolment projections and if the Teacher makes the request prior to March 1, the Executive Superintendent of Employee Services or designate may grant the request.
L47.4 A Part-time Teacher who is not teaching part-time for a specified period but who went from a full-time to a part-time assignment shall upon request be given an assignment to teach full-time if one becomes available provided that there is no surplus full-time Teacher who is qualified to fill the position. If more than one Teacher is eligible for such assignment, the Teacher with the greatest seniority as defined in L45.0 shall be assigned to the position.

L47.5 Subject to first placement of Teachers under L47.4 a Part-time Teacher who did not change from a full-time to a part-time teaching assignment shall be placed in a full-time position upon request only when there is no surplus Teacher who has been teaching full-time who is qualified to fill the full-time position and the Part-time Teacher's most recent Teacher Appraisal was satisfactory. If more than one Part-time Teacher is eligible for the same full-time position with the Board, the Teacher with the greatest seniority as defined in L45.0 shall be assigned to the position.

b) if, by that date, the Board anticipates that it may need to hire teachers in order to staff its programs, then

c) the Board may, at its discretion and in consultation with the Bargaining Unit request Teachers who have demonstrated a high level of competence in the position(s) for which they are currently qualified to undertake retraining to meet the needs anticipated in L47.8(b) subject to the conditions set out below, providing that, in the opinion of the Board, these Teachers will be able to continue to demonstrate a high level of competence in any position(s) for which they may be retrained.

L47.9 If the Teacher agrees to undertake such retraining,

(a) tuition fees shall be paid by the Board for the purpose of retraining and official receipts shall be submitted to the Director, and

(b) if such retraining requires full-time attendance during regular school hours, the Board shall request the Teacher to take a Leave of Absence, and

(c) subject to the provisions of L47.7, the Teacher shall comply with the following conditions:

(i) deductions for the Teachers' Pension Plan pension, income tax or other required deductions shall be on the basis of the actual salary paid;

(ii) the period for such re-training granted to a Teacher shall be credited to Teaching Experience;

(iii) the Teacher shall receive all employee benefits for which the Teacher is eligible;
(iv) a Teacher shall be responsible for making arrangements for any further payments to the Teachers' Pension Plan and for making arrangements for payment of the Ontario College of Teachers’ fee.

(v) the Teacher shall, before going on retraining, execute an agreement to remain in the employ of the Board for a period equal to twice the length of the retraining period and, failing to do so, shall upon request pay to the Board the money paid by the Board on account of the retraining, and

(d) upon return to work the Teacher shall undertake any assignment for which the Teacher is qualified.

L47.10 The number of Teachers who may undertake such retraining in any one year shall not exceed the number of surplus Teachers.

L47.11 The number of Teachers who may be granted Leave of Absence for Retraining shall not exceed five full-time equivalents in any one year.

L47.12 The foregoing provisions for retraining will be continued on an experimental basis and will be reviewed by the parties before either party recommends continuance of these provisions in any subsequent agreements.

L48.0 RECALL

L48.1 Recall rights shall only apply to Teachers whose employment with the Board has been terminated because the Teacher is surplus to the Board.

L48.2 Recall rights shall be limited to the twelve-month period immediately following the date the termination of employment as a surplus Teacher became effective.

L48.3 In order to establish rights under L48.0 the Teacher must complete and return the form provided by the Board within 15 days of receiving the notice of termination.

L48.4 In order to maintain rights under L48.0 the Teacher must:

(a) keep the Board advised of the Teacher's current address and telephone number;

(b) ensure the form set out under L48.3 is received by the Board within the time set out; and

(c) must be able to respond personally and expeditiously to any offer of employment.

L48.5 The Board shall maintain a recall list of the teachers who have established and maintained recall rights. The Bargaining Unit shall have access to this list and any revisions to the list.

L48.6 The Board shall record details respecting any teacher on the list who could not be contacted personally and expeditiously. That Teacher shall be removed from the list and the Bargaining Unit shall be advised of this revision to the list.

L48.7 When a position becomes available, the Board shall contact in order of seniority, each Teacher remaining on the recall list to ascertain whether that Teacher wishes to accept a position for which the Teacher is qualified.

L48.8 A Teacher who refuses a recall to a position for which the Teacher is qualified, or fails to respond under L48.4 shall no longer be entitled to recall.
A person who has been recalled to a position as a Teacher with the Board within four calendar months of the effective date of the termination of the person's employment as a Teacher shall be credited with Teaching Experience as though there had been no interruption in employment.

**SEVERANCE PAY**

Those Permanent Teachers whose employment has been terminated pursuant to L45.22 because they are surplus to the Board and who have not refused a position with the Board (hereinafter referred to as “ Eligible Permanent Teachers”) shall be subject to the following:

a) Eligible Permanent Teachers will be paid severance pay in accordance with the following:

the amount of severance pay to be paid to an Eligible Permanent Teacher shall be based on the number of years of the last continuous Teaching Experience with the Board (including any Predecessor Board) to be calculated as follows:

\[
\text{Amount} = 10 + (n-1) \times 2.5 \times \frac{\text{Total Salary for the last complete year of employment as a Teacher}}{100}
\]

where \( n \) = number of years of the last continuous Teaching Experience with the Board.

The maximum payment shall be 32.5% of the Teacher’s Total Salary for the Teacher’s last complete year of employment as a Teacher.

b) Acceptance of severance pay relieves the Board of any further obligation to the Teacher including recall rights and the Teacher ceases to have further rights under this Agreement.

c) Subject to requirements at law, a Teacher may request the deferral of severance pay for a period of up to 12 months from the effective date of termination of the Teacher’s employment for the purpose of maintaining recall rights during such period. No such request shall be denied.
PART VI – CONTINUING EDUCATION TEACHERS

The terms and conditions of employment in this Part apply only to Continuing Education Teachers.

L50.0 GRIEVANCE AND ARBITRATION PROCEDURE

L50.1 Within the terms of Part VI a grievance is a difference relating to the interpretation, application, administration or alleged violation of this Part, including any question as to whether a matter is arbitrable. For purposes of the grievance/arbitration procedure in Section VI, the first ten instructional days of July shall be deemed to be school days.

L50.2 Notice of Grievance by the Grievor and Bargaining Unit

L50.3 A Continuing Education Teacher or group of Continuing Education Teachers shall, prior to filing a grievance as hereinafter provided, attempt by informal discussion with the appropriate principal, or, if the Continuing Education Teacher does not report to a principal, with the Continuing Education Teacher’s immediate supervisor, to resolve any matter which could be the subject of a grievance prior to filing a written grievance hereunder. In this discussion the Continuing Education Teacher or group of Continuing Education Teachers may be accompanied by a representative of the Bargaining Unit. Where it could reasonably be expected that an incident would lead to discipline or discharge, the principal or immediate supervisor will inform the teacher that they may be accompanied by a representative of the Bargaining Unit. Should the complaint not be resolved informally, the Bargaining Unit may initiate a grievance within 20 school days following the day the cause of the grievance became known or reasonably ought to have been known to the Continuing Education Teacher(s). A grievance may be filed by the Bargaining Unit on behalf of the Continuing Education Teacher(s) in writing to the Director or designate. This notice shall state the section or sections of Part VI that it is alleged have been violated, together with a description of the complaint sufficient to indicate the substance of this complaint and the remedy sought.

L50.4 The Board or Bargaining Unit may initiate a policy or group grievance by giving notice to the other party within 55 school days following the day that the cause for the grievance became known or reasonably ought to have been known to the grieving party.

L50.5 The representatives of the Board and Bargaining Unit shall meet within 10 school days of receipt of the notice under L50.3 or L50.4 above and shall attempt to settle the grievance.

L50.6 Notice of Intent to Proceed to Arbitration

L50.7 If the grievance is not settled within 10 school days of the meeting, the Bargaining Unit or Board may inform the other party in writing within a further 30 school days that it is proceeding to arbitration.

L50.8 The notice in L50.7 shall specify whether the Bargaining Unit or Board desires a single arbitrator or a board of arbitration, and if the latter, shall specify the party’s appointee to the board of arbitration. The Board or Bargaining Unit not wishing a single arbitrator shall so advise the originating party within 10 school days and shall, at the same time, specify its appointee to the board of arbitration. The originating party shall then appoint its nominee within a further five school days of being advised of the appointee of the other party.

L50.9 The two appointees or, in the case of a single arbitrator, representatives of the Board and Bargaining Unit shall as soon as possible appoint an arbitrator or the chairperson of the arbitration board. If either party fails to appoint an arbitrator or, if the appointees fail to agree on a chairperson, or if the representatives cannot agree on a single arbitrator within 35 school days of the notice in L50.7 being received, the appointment shall be made by the Minister of Labour upon the request of either party.
L50.10 The arbitrator or the arbitration board shall hear and determine the grievance, shall issue a decision and the decision shall be final and binding on the parties. The decision of a majority shall be the decision of the arbitration board, but if there is no majority the decision of the chairperson shall govern.

L50.11 The single arbitrator or the board of arbitration shall determine its own procedures but shall give full opportunity to all parties to present evidence and make representations.

L50.12 The single arbitrator or board of arbitration shall have the power to amend technical deficiencies of the grievance and modify penalties including disciplinary penalties but shall not by its decision add to, delete from, modify or otherwise amend the provisions of Part VI.

L50.13 No person shall be appointed as an arbitrator who has been involved in an attempt to negotiate or settle the grievance.

L50.14 The Board and Bargaining Unit shall each bear the expense of its own appointee and shall pay one-half the cost of the chairperson or single arbitrator and their own expense of appearing at the hearing.

L50.15 A grievance initiated within the timelines herein may be processed notwithstanding that the contract(s) of the Continuing Education Teacher(s) involved has (have) terminated.

L50.16 Days, as the term used in this grievance procedure, shall exclude Saturdays, Sundays, and public holidays.

L50.17 Time limits herein may be extended by consent of the Board and Bargaining Unit.

L50.18 Grievances concerning similar matters may be heard together.

L50.19 No action of any kind shall be taken against any person because of that person's participation in the grievance or arbitration procedures under Part VI.

L50.20 A Continuing Education Teacher may be disciplined only for just cause.

L50.21 If a grievance concerns the discipline of a Continuing Education Teacher, including disciplinary dismissal, or discharge for incompetence, or just cause, the arbitrator or the arbitration board may confirm the decision of the Board or reinstate the Continuing Education Teacher, with or without full compensation or otherwise modify the penalty. Where the arbitrator or arbitration board determines that reinstatement of the Continuing Education Teacher is not practical, the arbitrator or arbitration board may award compensation.

L51.0 INDIVIDUAL RIGHTS

L51.1 Both the Board and Bargaining Unit shall comply with the Ontario Human Rights Code. Any alleged violation shall be dealt with pursuant to the procedures in the Code.

L52.3 A step on the Salary Schedule shall be based on the number of continuing education credit courses the Continuing Education Teacher has taught for the Board and/or Predecessor Boards. Only courses which commenced on or after September 1, 1987 shall be counted.

LOCAL APPENDIX B

SUPPLEMENTAL EMPLOYMENT BENEFITS PLAN

The Teacher shall sign an agreement with the Board indicating that the Teacher will return to work (prior to submitting any resignation) and remain in the service of the Board after returning from the Teacher's Pregnancy Leave or Parental Leave for the purposes of adoption (and any subsequent additional leave granted by the Board under this Agreement).

SUPPLEMENTAL EMPLOYMENT BENEFITS PLAN: PREGNANCY LEAVE

a) The Employer shall provide for permanent and long-term occasional teachers and teachers hired into a term position who access such leaves, a SEB plan to top up their E.I. Benefits. The teacher who is eligible for such leave shall receive salary for a period immediately following the birth of her child, but with no deduction from sick leave or the Short Term Leave Disability Program (STLDP). The SEB Plan pay will be the difference between the gross amount the teacher receives from E.I. and her regular gross pay.

b) SEB payments are available only to supplement E.I. benefits during the absence period as specified in this plan.

c) Teachers hired in a term position or filling a long-term assignment shall be entitled to the benefits outlined in a) above, with the length of the SEB benefit limited by the term of the assignment.

d) The teacher must provide the Board with proof that she has applied for and is in receipt of employment insurance benefits in accordance with the Employment Insurance Act, as amended, before SEB is payable.

e) Teachers not eligible for employment insurance benefits or the SEB plan will receive 100% of salary from the employer for a total of not less than eight (8) weeks with no deduction from sick leave or STLDP.

f) For clarity, for any part of the eight (8) weeks that falls during a period of time that is not paid (e.g. summer, March Break, etc.), the remainder of the eight (8) weeks of top-up shall be payable after that period of time.

g) Teachers who require a longer than eight (8) week recuperation period shall have access to sick leave and the STDLP through the normal adjudication process.

h) If an employee begins pregnancy leave while on an approved leave from the employer, the above maternity benefits provisions apply.

i) The start date for the payment of the pregnancy benefits shall be the earlier of the due date or the birth of the child.

j) Births that occur during an unpaid period (i.e. summer, March break, etc.) shall still trigger the pregnancy benefits. In those cases the pregnancy benefits shall commence on the first day after the unpaid period.

A SEB plan to top up their E.I. Benefits for eight (8) weeks of 100% salary is the minimum for all eligible teachers. The teacher who is eligible for such leave shall receive 100% salary for a period not to exceed eight (8) weeks immediately following the birth of her child but with no deduction from sick leave or the Short Term Leave Disability Program (STLDP). The SEB Plan pay will be the difference between the gross amount the teacher receives from E.I. and their regular gross pay;

(SEB) PLAN ADOPTION/PARENTAL LEAVE

1. The object of this SEB Plan is to supplement the Employment Insurance (E.I.) benefits received by Teachers from Employment and Social Development Canada (ESDC) for temporary unemployment caused by Adoption or Parental Leave for the purposes of adoption.
2. Only Teachers as defined in accordance with L1.21 of the Agreement to which Appendix B is appended are covered by this Plan.

3. The other requirements for receipt of a SEB are:
   
   (a) the Teacher must apply for and be in receipt of E.I. adoption or parental benefits from Human Resources Development Canada;
   
   (b) an application for SEB must be made by the Teacher on a form to be provided by the Board and the Teacher shall provide proof that the Teacher is in receipt of E.I. benefits indicating the weekly amount to be paid by ESDC;

4. A Teacher must have applied for and be in receipt of E.I. benefits before a SEB becomes payable.

5. A Teacher who is not in receipt of E.I. benefits shall not be eligible for a SEB, except if the reason for non-receipt is that the Teacher is serving the two-week waiting period. A SEB payment shall be made only when it has been verified that the Teacher has applied for and is in receipt of E.I. benefits.

6. A Teacher shall not have the right to a SEB payment except for supplementation of E.I. benefits for the unemployment period as specified by this Plan.

7. The benefit levels paid under this Plan are set out in (8) and (9) below. It is understood that consistent with current employment insurance regulations:
   
   (a) in any week, the total amount of the SEB, E.I. gross benefits and any other earnings received by the Teacher shall not exceed 95% of the Teacher's normal weekly earnings, and
   
   (b) any payments in respect of annual remuneration or in respect of deferred remuneration or severance pay benefits are not reduced or increased by payments received under this Plan.

8. For the two (2) week waiting period before E.I. benefits commence the benefit level paid under this plan will continue to be set at a weekly rate equal to 90% of the Teacher’s weekly insurable earnings as determined by ESDC.

   Note: Effective January 1, 2017, the two week waiting period will be reduced to one week. Accordingly, the employee’s E.I. benefits during the first week following the new one week waiting period will be topped up to ensure the employee receives the same total net pay they would have received prior to the change.

9. For up to 15 weeks following the two (2) week period under 8. above the benefit level paid under this plan shall be $75.00 per week providing the Teacher remains in receipt of E.I. Benefits as set out under 5. above.

SAMPLE LETTER - REPLACEMENT TEACHER

Dear (name of Replacement Teacher):

This letter will confirm that you have agreed to accept our offer of employment as a Replacement Teacher for a fixed term pursuant to the terms and conditions of the collective agreement between the Board and the Bargaining Unit. You will be assigned to a full-time (part-time) classroom position at X school to replace the regular teacher, X, who is temporarily absent.

X is not expected to return to work before the _____ day of _____ 20__. There is, of course, the possibility that X will return earlier than has been indicated, but we are advised that this possibility is unlikely. As a result, your period of employment as a Probationary Teacher is for the period _____ to _____ (referred to as the "Fixed Term") or such shorter period as may be necessary if X returns to work earlier than anticipated. This replacement teaching position, and your employment as a Probationary Teacher with the Board, will therefore terminate by mutual consent on the earlier of _____ day of _____ 20__, or the date X returns to work. The Fixed Term may be extended in the event that the absent Teacher does not return as anticipated.

It is understood that should the Teacher whom you are replacing return to active employment prior to the mutually agreed termination date you shall be paid as per the Collective Agreement until the mutually agreed termination date stipulated in this letter or for five school days, whichever is less, and during such period you may be assigned other teaching duties.

Yours truly,

On behalf of the Board

I hereby accept the offer of employment as a Probationary Teacher set out above for the Fixed Term specified above and, in accepting, I hereby mutually agree with the Board to termination of this contract as specified above.
