

ADULT DAY SCHOOL CONTINUING EDUCATION TEACHERS
Staffing and Surplus Manual
2024-2025

The current Secondary Teachers' Collective Agreement states (Clause L61.3):

The procedures in the Adult Day School Staffing and Surplus Manual in effect on June 30, 2001 shall be reviewed and refined annually by a sub-committee of the Secondary Consultation Committee in accordance with L21.13. The procedures in effect on June 30, 2001 shall not be changed except by mutual agreement of the Board and the Bargaining Unit.

A: Preparation of Timetables and Teaching Assignments

1. Teachers will be given an opportunity each school year to indicate their preferences for placement, teaching load and quadmester availability for the following school year by completing the Adult Day School Continuing Education Teachers Placement Preference Form. These Preference Forms will include preferences for number of courses (for the purposes of these staffing procedures, a course is defined as curriculum delivered within the 2 hour time slot that the teacher is teaching daily within a quadmester), number of quadmesters (Quads), subjects for which the teacher holds certification, subjects in which the teacher is Experienced But Not Certificated and subject teaching preferences. For the purposes of school placement in a surplus situation only, geographical site preferences will also be requested.
2. For the purposes of these staffing procedures, the teacher's current school (where the teacher last completed a course) will be determined to be the teacher's home school. If the teacher completes courses in more than one adult day school in any one school year, then the teacher's last school placement where such course(s) was completed will become that teacher's home school. If the teacher accepts a position in a school other than the home school, that new placement will become the teacher's new home school. If a teacher completes a course(s) in more than one school in a Quad, drawing of lots will be used as the method to determine that teacher's home school.
3. The Adult Day School Continuing Education Teachers Placement Preference Form will be issued for the following year to the teacher by or before May 15 and the teacher shall return the completed form to the Principal of their home school by or before May 31. A teacher may update their Placement Preference Form. To be considered for staffing for the next Quad, it must be submitted to their Home School Principal at least 15 school days prior to the start of the next quadmester.
4. The school timetable is set by the principal, as is the assignment of teachers to courses. Principals will place teachers who are on their seniority list into teaching timetables for the following school year and for each quadmester of a school year, subject to the provisions of Paragraph 5.

5. Seniority, subject to qualifications, will be the guiding principle for assigning teachers to two (2) courses per quadmester, unless a Teacher requests only 1 course on their Teacher Preference Form. The number of courses assigned to a Teacher may also take into account the program needs of the school, and actual class enrolments.

When assigning Teachers a third course Principals will give first consideration to the Teacher's seniority, qualifications, the requests on the Teacher's Preference Form, as well as the program needs of the school and the actual class enrolments.

6. Where there is no teacher currently on the home school list who holds certification or has successfully taught (Experienced But Not Certificated) a subject the Principal may seek mutual consent to assign such a timetable to uncertified teachers currently on staff.

7. No later than 10 school days prior to the start of quadesters 2, 3, 4, the school Principal will provide the Branch President with a copy of the seniority list, up to date teacher preferences and a copy of the draft teaching assignments for the upcoming quadmester. No later than 5 days prior to the start of quadmester 1 , the school Principal will provide the aforementioned documents to the OSSTF Executive Officer with responsibility for Adult Day Schools.

8. The Branch President may consult with the Principal regarding draft teaching assignments. Timely consultation should occur before timetable assignments are finalized.

9. No later than three school days prior to the start of a quadmester, the school Principal will provide the Branch President with a copy of the final teaching assignments for the upcoming Quadmester.

10. No later than two school days prior to the start of a quadmester, Adult Day School Teachers will be provided with a copy of their timetable assignments for the next quadmester.

11. Please note that Regulation 298 precludes Mutual Consent in French, Special Education or any Technical subject. Even though a teacher may be on a Letter of Approval for one of these subjects, the teacher may NOT add that subject as Experienced But Not Certificated.

B: Seniority Verification Procedures

1. Employee Services will be responsible for the creation and maintenance of the Adult Day School Continuing Education Teachers Seniority Lists.

2. A Seniority Verification – Adult Day School form will be issued to the teacher by or before May 15. The number of Adult Day Credit or Credit-Equivalent Courses Accumulated since 1998.09.01 will be projected to June 30. The teacher shall verify the data and return the completed form to the principal of their home school by or before May 31.

3. The Teacher may return the Seniority Verification Form requesting review and revisions. Employee Services will verify all requests. If a revision is verified, the Teacher will be sent a revised Seniority Verification Form. An Adult Day School Teacher may seek support from the Union during this process.
4. The Seniority Lists will be produced by or before the last day of Quad 4 and sent to Principals and to the Executive Officer of OSSTF Toronto who has responsibility for Adult Day Schools. Principals will share the Seniority List with the Branch President.

It is the responsibility of the Teacher to ensure that Employee Services has current and up-to-date information on relevant personal information (e.g. availability, telephone numbers) and certification.

6. If a Teacher refuses an assignment for which he/she is qualified, the Teacher will lose his/her rights for placement from the Adult Day School Surplus Teachers List and will remain on the seniority list of their current Home School.

7. When a teaching assignment is found for a surplus Adult Day School Teacher, the Teacher will receive a letter from Employee Services indicating their timetable and their name will be removed from the Adult Day School Teachers Surplus List.

8. Teachers on the Adult Day School Surplus Teachers List may remain on that list until the end of Quad 4 of the following school year. If they remain unplaced on that date, all placement provisions end.
