

TTBU Branch Rebate Guidelines

The Branch President's role is outlined on pages 5-12 of Section I of the Branch President's Manual.

As well, OSSTF Services can be found in Section IV, pages 33-40.

The Annual TTBU Branch Rebate is intended to be used to strengthen involvement in OSSTF. As such it should be used for costs **not otherwise covered** by the union, such as Branch Meetings / Branch Executive Meetings and OSSTF Branch Resource Materials.

Branch Presidents who receive Branch Rebates are encouraged to keep records in order to ensure they can be accountable for expenditures.

Any questions regarding the use of Branch Rebates should be addressed to the TTBU Treasurer at 416-393-8900

Thank you,

David Pickering
Treasurer, District 12
