Dear Labour Affiliates ,

In mid-April, Toyota announced they will be moving production of their number one selling vehicle, the Corolla, to Mexico. This announcement has created much uncertainty amongst the workers at Toyota's plants, particularly the in North Plant, Cambridge, which currently produces the Corolla.

To show labour's support for the workers at Toyota and their communities in these uncertain times, I am asking for you to join me on Saturday, May 30, 2015 for a demonstration and Community Gathering in Cambridge. We will be holding a demonstration on the front lawn of the North Plant at 9:45, we are asking participants to arrive by 9:15 at the school yard (450 Maple Grove). Afterwards we will be returning to the school yard where we will host Toyota workers, their families and the community for a family friendly afternoon with food and children's activities. We intend to show Toyota workers and the community that the labour movement fully support them.

It would be much appreciated if you could mobilize as many of your members and their families as possible to participate you can contact Bob Van Cleef in our Organizing Department with any questions and to confirm your attendance. Bob can be reached at [bob.vanCleef@unifor.org](mailto:bob.vanCleef@unifor.org) or 416.274.1876.

Thank you in advance for your support and solidarity with these workers and their community in this uncertain time. I look forward to seeing you!

In solidarity,

Jerry Dias  
National President
