ENTER A FILM IN THE 'CLAIMING POSITIVE SPACE' VIDEO CONTEST

What is Positive Space? What does Positive Space feel and look like? How can we create safe and positive spaces for LGBTQQ2s people?

Explore these questions in an aesthetically-appealing video of 3 minutes or less, which communicates how Positive Space can be safer space for everyone. Your video could be:

- in the form of a Public Service Announcement
- a mini-doc about positive space in your school
- a music video, poem, or another form of video

Videos can be in MP4 or AVI format. Please contact executive officer Hayssam Hulays at hhulays@osstftoronto.ca for submission.

There will be two prizes of \$100 each, one winner voted by students, the other winner by the OSSTF GSA committee.

Due date for film submission is April 6, 2018. So what are you waiting for? Get filming!
