*"In my 20 years with the TDSB and D12, I have never felt as well-informed in such a concise, detailed and timely manner as I have with Leslie. Leslie has provided strong leadership, ensuring the voice of Toronto teachers is heard and our interests and well-being are brought to the fore in an effective and impactful way. So many of my colleagues speak so highly of Leslie and agree that she has done a fabulous job. I join them in fully supporting Leslie's re-election as President".* **Susan Koziarsky, Teacher, Sir Oliver Mowatt**

*"I truly believe Leslie to be the best candidate to be President so she can continue the fine work she has been doing in leading OSSTF Toronto through some of the biggest challenges we have ever faced."* **Terry Maguire, Branch President, Parkdale CI**

*"I believe in Leslie because she looks for solutions, not problems, and she builds consensus, not division."*  
**Mira Gerhard, Branch President, AY Jackson**

*"Leslie and I may disagree from time to time, but she has done a great job as President. I gladly give her my support knowing she will continue to fight for equity for Adult Day School teachers and all of us as members of OSSTF Toronto."*  
**Deborah Buchanan-Walford, Branch President, Emery Adult Learning Centre**

*"In my experience, Leslie is an awesome member advocate. She listens to Members and understands what we need. Her experience gives her in-depth insight into how the Board operates and thinks. All of this makes her the effective President she's been for us. Leslie absolutely has my support."* **Gerry Ugalde, Teacher, Thistletown CI**

*"Leslie is a principled, approachable leader. She has more than risen to the challenge of leading and supporting members during a time when we are faced with an extremely hostile government, and now a pandemic. She is always at the front lines to support and fight for the rights of members and the students that we serve. Now, more than ever, her experience and perspective are invaluable to the Membership!"* **Jeffrey White, Branch President, OASIS Alternative**

*"Leslie understands privilege and equity, and how they impact on members and students. When the Board began Advanced Pathways, Leslie called a meeting of teachers involved in the program to learn more about our experiences. She also set up a meeting with the TDSB Director so teachers of de-streamed classes could speak directly to him about our experience. When schools were closed and the Minister announced we would be teaching online, Leslie's first concern was about how that would impact on teachers and students from an equity point of view. Leslie's leadership is thoughtful, member-oriented and strong. I wholeheartedly endorse her candidacy."* **Jessica Polley, Branch President, Downsview SS**
