

# Re-Elect Michelle Teixeira - 15 Years of OSSTF Activism

## Experience That Matters

*"Instinctive union leadership is what Michelle provides, and this is why she must be re-elected as Vice President. Michelle's capable handling of grievances and other unjust moves made by the TDSB over the years have given us direct knowledge of her formidable perseverance and strong representation skills as Executive Officer. These qualities have been greatly enhanced as Vice President. Her considerable knowledge and experience are definite assets and for these reasons, Michelle must be re-elected as Vice President."*  
 -June Kanitz, Co - Branch President, West Humber CI & Justin Kanitz, North Albion CI
