As a politically active EO, Chris was always ready to lead or support actions in our school community such as the Parkdale Rent Strike, or canvassing neighbourhoods in support of progressive candidates for Trustee, Councillor and MPP elections. I have worked with Chris at Queen's Park and his political acumen has served to maintain a healthy relationship between my school and local leadership, within the Board, the Provincial legislature and within other federations.

Terry Maguire, Branch President, Parkdale Collegiate

 [What I Stand For](#)

 [My Experience](#)

Whether he is holding an informative and interactive lunch meeting or engaging with young members and using a hands-on approach to dealing with their concerns, Chris is second to none.

Mitch Bubulj, Branch President, Silverthorn Collegiate

Chris Chandler's tireless advocacy for social justice is only eclipsed by his commitment to addressing members' concerns in branches. He is an invaluable resource to Northern educators.
