"I've known Rony Masri as a union activist with TTBU since the early 2000s. In his many years as Branch President and in his recent years as Executive Officer, Rony has demonstrated a **remarkable combination of even-headedness and calm temperament with impeccable integrity and fight where and when needed**. Rony has overseen some difficult issues at my high school as our executive officer and he's always dealt with them with a **strong work ethic and great compassion**. I fully support Rony in his upcoming candidacy for D12 executive."

Darivoj Jaksic – Branch President, Lester B. Pearson C.I.

"Rony has shown himself to be an excellent leader and an excellent team member: **hard-working, caring, intelligent**. Throughout my working relationship with Rony, I have needed his help many times; **he supported me in a new role and helped me grow as a branch president**. Whenever I have a question or concern, he is always there: **warm, approachable, knowledgeable**. When unexpected issues arise, Rony is a **steady voice**. I offer my wholehearted endorsement and support."

Anne Fellini – Branch President, West Hill C.I.

"I'm writing in support of our excellent executive officer, Rony Masri. From his energy, to his commitment to our membership **I could always count on him**. Rony always **responded** to my questions **quickly and effectively**. He's been there for me and my colleagues **walking the picket** along our side and **supporting us under less than ideal conditions**. Rony is a kind and assertive communicator who **naturally engages our membership**."

"As the Branch President at Parkdale CI, I have worked with Rony for the last two years. In that time, I have come to know and respect Rony as a **dedicated, knowledgeable, and hard-working EO**. When I call on him for information, advice or advocacy, he is **always responsive, supportive, genuine and informative**. He has, as our representative, served our members well, **seeing them through sometimes difficult and trying situations, with strong advocacy and sensitivity**. During this school year's twin campaigns of No Cuts to Education and job actions in pursuit of a fair collective agreement, Rony has **guided the members** of the District well and has been prominent in these various actions. From Queen's Park to MPP offices to **walking the line with members** of our Branch - he has been there for the membership of OSSTF Toronto."
