

RE-ELECT

Hayssam Hulays

OSSTF TTBU EXECUTIVE OFFICER

I am running for election to the TBU executive, and I am asking for your support. I pride myself on delivering timely effective member service.

I use my extensive knowledge of the Collective Agreement and Staffing rules to defend our members and protect their rights against inflexible administrators.

As liaison to our district's Communication and Political Action Committee, I work with members of the executive, members of CPAC, and member-activists from across the city to develop and implement a plan to push against Doug Ford's agenda. Our fight-back campaign included training sessions across the city, the establishment of school based action team at branches, and hundreds of actions involving thousands of teachers, education workers, and community members.

I am a vocal advocate for all our members and a determined and effective organizer who is passionate about education and our role in it. With your support, I will continue to bring this passion and experience to work with you, other education workers, and parents and community members to defend public education and its workers.

Together, we are stronger.

Thanks for your support. Be well.

Hayssam Hulays

"Hayssam is always quick to respond to member concerns with well thought out and consistent advice. Member service is a strength. I would encourage people to vote for Hayssam."

Rob Mound, Branch President, Monarch Park C.I.

"Hayssam has been a committed executive officer for Adult Day Schools and has been a great ally in our continued fight for Equity for Adult Day Schools. I gladly endorse his re-election."

Deborah Buchanan-Walford, Branch President, Emery A.L.C.
