"As the Branch President at Parkdale CI, I have worked with Rony for the last two years. In that time, I have come to know and respect Rony as a **dedicated, knowledgeable, and hard-working EO**. When I call on him for information, advice or advocacy, he is **always responsive, supportive, genuine and informative**. He has, as our representative, served our members well, **seeing them through sometimes difficult and trying situations, with strong advocacy and sensitivity**. During this school year's twin campaigns of No Cuts to Education and job actions in pursuit of a fair collective agreement, Rony has **guided the members** of the District well and has been prominent in these various actions. From Queen's Park to MPP offices to **walking the line with members** of our Branch - he has been there for the membership of OSSTF Toronto. I urge you to re-elect Rony Masri so he may continue his fine work as an Executive Officer."

Terry Maguire – Branch President,
Parkdale C.I.

"I fully endorse Rony Masri in continuing his role as Executive Officer for the TTBU. Rony is **highly knowledgeable, patient and dedicated** to supporting staff with their union needs. Rony takes members concerns seriously and **responds promptly** to inquiries in an informed and compassionate manner. I also **felt fully supported** as I transitioned into the role of union representative at my school. I knew that my questions would be answered and that I would get the guidance I needed from someone who **genuinely cares** about the well-being of members and their working conditions. I think Rony would be a solid choice and should be allowed to continue his work as an Executive Office. **Our membership benefits from his presence.**"
