Troubleshooting Tips:

A

Not Seeing the Voting Centre badge?

Please disable any Ad-Blockers in your browser. This can prevent the Voting Centre badge from displaying in some browsers. If this fails, try switching to a Private / Incognito / InPrivate browsing session.

B

Not Seeing an active ballot? You must login with your member ID

To add your membership ID to your account profile, click the **My Profile** badge,  select the **Edit My Profile** button and provide the missing details in the available fields. Click the **Update My Profile** button to commit the changes.

C

Verify your details

Verify your membership status (seen in My Profile) and affiliation / group affiliation matches the intended audience of the ballot as indicated on the Voting Centre Landing page.

D

Ballots are time sensitive AND targeted

- You will only see ballots where your OSSTF member ID is identified as a valid participant.
- Once the ballot expiration time has passed, you will not be able to cast a vote.
- If you login prior to the ballot start time, the ballot will be visible but inactive until the scheduled start time.
