OSSTF Toronto Anti-Harassment Policy and Procedure

Let us not take thought for our separate interests, but let us help one another.

A member of OSSTF/FEESO has the right to a workplace and union environment free from harassment and bullying.

Harassment and discrimination are not joking matters. They have a destructive effect on the workplace environment, individual wellbeing, and union solidarity. Such actions are not only destructive, they can be illegal.

Inadvertent, hidden and systemic harassment and discrimination must be identified and addressed. The roots of systemic harassment and discrimination include but are not limited to racism, sexism, and homophobia and transphobia. OSSTF/ FEESO does not condone harassment or discrimination on the basis of age, national or ethnic origin, colour, religion, sex, gender identity, sexual orientation, race, socio-economic status or mental or physical disability.

Harassment and discrimination can take many forms and may be verbal, physical or psychological. They can involve a wide range of actions including comments, gestures or looks, pictures, messages, touching, or more aggressive actions. These acts may be indirect or overt; they may be isolated or repeated.

Acts of harassment and discrimination are always degrading, unwelcome and coercive. They are always unacceptable.

As members of OSSTF/FEESO, our goal must be to protect human rights, to promote mutual respect and trust, and to foster inclusion.

We cannot condone or tolerate intimidating, demeaning, hostile and aggressive behaviour against another member. We cannot condone these behaviours when we witness them.

As OSSTF/FEESO members, we must speak out against this conduct and stand together to protect human rights. We must take action.

OSSTF/FEESO is committed to strengthening member solidarity, and in addition to representing members' interests in the workplace, takes seriously its own responsibility to ensure that members are treated with respect and dignity at all provincially sponsored OSSTF/FEESO events and meetings.

Any member who feels targeted by harassment or discrimination must be able to speak up and know their concerns will be responded to immediately in accordance with OSSTF/FEESO Bylaws and the OSSTF Toronto Resolution and Complaint Process.

The Anti-Harassment & Equity Declaration, as found in the Provincial Policies and Procedures (1.8), shall be read at the beginning of every District Committee meeting.

Resolution and Complaints Process

An anti-harassment officer will be appointed for the General Meeting and the Annual General Meeting.

Members who believe they have been the target of harassment or discrimination at these events are encouraged to take immediate action to ensure this behaviour is stopped.

As a first step, members should make it clear to the perpetrator that the behaviour is offensive, and ask that it be stopped. This can be done personally, either in writing or verbally, or with the assistance of a third party.

If the behaviour recurs or persists, or if members do not feel safe in approaching the perpetrator directly, they should speak with the designated officer(s) and ask for that person to act. The designated anti-harassment officers shall be appointed by the President and will also form the Complaints and Resolutions committee.

The designated anti-harassment officer(s) will investigate the complaint promptly, including separately interviewing the parties involved and any witnesses, with a view to resolving the problem informally. During this process, the designated anti-harassment officer(s) may remove the respondent temporarily from the meeting if circumstances warrant.

The investigation shall be handled confidentially; however, all complaints will be reported by the designated anti-harassment officer(s) to the President and/ or the Vice Presidents.

If the complaint cannot be resolved informally, the complainant will be asked to put the complaint and all relevant information in writing.

If the complainant chooses to provide such a written complaint, it will be submitted to the designated staff person in the District office who will forward it to another anti-harassment officer as appointed by the President and/ or the Vice Presidents. The written complaint will be investigated fully with a view towards a resolution that is acceptable to all involved parties.

If the complainant is not satisfied with the result of the written complaint, the complaint will be forwarded to the Complaints and Resolutions committee for action. It shall be the responsibility of the Complaints and Resolutions committee to determine if the behaviour falls under the definition of harassment, and decide on appropriate remedial action. While conducting the investigation, the committee will be informed by an understanding of the systemic roots of discrimination and harassment as expressed in the OSSTF/FEESO Equity Statement.

The parties involved will receive a written report stating the findings and any action taken.

At any point in the process, the Anti-Harassment officer (s) may seek the assistance of the designated secretariat member of Provincial OSSTF/ FEESO.

Resolutions may include but are not limited to apologies, mediation, warnings, temporarily limiting access, or removal/ exclusion from the meeting or event. If a decision is made to remove or exclude that member, and where this member is representing the bargaining unit, a confidential letter outlining the

reasons for this decision will be sent to the president of the appropriate body. The District Office_shall keep a confidential file of all records and reports related to the investigation of written complaints for a period of five years.

None of the above restricts a member's right to file a complaint with the Ontario Human Rights Commission or make a complaint to police.

(Revised May, 2021)

OSSTF Toronto Anti-Black Racism

Policy and Procedure

RATIONALE

Anti-racism is an active stance. In the words of the late Desmond Tutu, South African human rights and anti-apartheid activist, "if you are neutral in a situation of injustice you have chosen the side of the oppressor".

A member of OSSTF/FEESO has the right to an affirming and thriving workplace and union environment free from racism and oppression, exclusion, harassment and discrimination.

In the education sector, the normalcy of everyday racism and in particular, anti-Black racism (ABR) has had a devastating and lasting impact on the lives and well-being of Black and racialized students, parents, administrators, staff and teachers.

DEFINITIONS

Racism: includes ideas or practices that establish, maintain or perpetuate the racial superiority or dominance of one group over another. (*The Ontario Antiracism Directorate*)

Anti-racism: is a process, a systematic method of analysis, and a proactive course of action rooted in the recognition of the existence of racism, including systemic racism. Anti-racism actively seeks to identify, remove, prevent, and mitigate racially inequitable outcomes and power imbalances between groups and change the structures that sustain inequities. (*The Ontario Antiracism Directorate*)

Anti-Black Racism: is defined as policies and practices rooted in Canadian institutions such as, education, health care, and justice that mirror and reinforce beliefs, attitudes, prejudice, stereotyping and/or discrimination towards people of Black-African descent. (Black Health Alliance)

Anti-racist: One who is supporting an anti-racist policy through their actions or expressing an anti-racist idea.

Erasure: essentially works to render an "other", invisible. According to Identity and Erasure: Finding the Elusive Caribbean, erasure is defined as the act of "neglecting, looking past, minimizing, ignoring, or rendering an invisible other (Allahar, 125"-Christelle Ram, Rollins College).

Intersectional Oppression: includes racism that is compounded by discrimination on the basis of age, national or ethnic origin, colour, religion, sex, gender identity, sexual orientation, race, socioeconomic status, mental capability, and/or physical disability.

Othering: is a phenomenon in which some individuals or groups are defined and labeled as not fitting in within the norms of a social group. It is an effect that influences how people perceive and treat those who are viewed as being part of the in-group versus those who are seen as being part of the out-group (https://www.verywellmind.com/what-is-othering-5084). Some examples are: consistently mispronouncing names; shuddering at peoples' food choices; generally, treating an individual/group/community as an outsider.

SCOPE

This policy applies to all members of OSSTF Toronto.

POLICY

It is the policy of OSSTF/FEESO that to eliminate racism from within the internal union structure is to embrace the notion that **representation matters**. A commitment to equitable representation will enable Black and racialized members to be present throughout the organizational structure, and at every decision making space not as tokens, but with voice, power and agency.

Racism, and in particular anti-Black racism, is degrading to the individual, and to the Union community as a whole; it has a destructive effect on union solidarity. Such actions are not only destructive, they can be illegal. Racism and in particular anti-Black racism will be addressed with urgency.

In addition, <u>intersectional oppression</u> will be identified and addressed. Intersectional oppression includes racism that is compounded by discrimination on the basis of age, national or ethnic origin, colour, religion, sex, gender identity, sexual orientation, race, socio-economic status, mental capability, and/or physical disability.

Racism takes many forms. These may be tangible or intangible; verbal, physical, or psychological. This ranges from micro-aggressions (including comments, gestures or looks, pictures, messages, touching, othering, erasure, or more aggressive actions), to organizational structures such as policies and processes that serve to exclude and deny participation. These acts may be indirect or overt; they may be isolated or repeated. They will be identified, validated, and addressed to achieve equitable resolutions and elimination.

In addition, silently witnessing these acts of racism condones and contributes to the perseverance of a hostile and poisoned environment.

Intimidating, demeaning, hostile and aggressive behaviours against another member directly, or indirectly, covertly or overtly, will not be tolerated.

As OSSTF/FEESO members, we must speak out against this conduct and stand together to protect human rights. We must take action to dismantle racism and its toxicity in our union.

OSSTF/FEESO is committed to strengthening member solidarity, and in addition to representing members' interests in the workplace, takes seriously its own responsibility to ensure that members are treated with respect and dignity at all provincially sponsored OSSTF/FEESO events and meetings.

Any member who feels targeted by race-based harassment or discrimination must be able to speak up and know their concerns will be responded to immediately in accordance with OSSTF/FEESO Bylaws and the OSSTF Toronto Resolution and Complaint Process, until a relevant complaint and resolutions process, specific to anti-racism, is established.

AUDITORS' REPORT

To the Members of Toronto District 12 of the Ontario Secondary School Teachers' Federation

Acting as the Financial Controller of the Ontario Secondary School Teachers' Federation, I have audited the accompanying financial statements of Toronto District 12 of the Ontario Secondary School Teachers' Federation (the "District"), which comprise the balance sheet as at June 30, 2019 and the statement of revenue, expenditures and accumulated surplus for the year then ended, and the summary of significant accounting policies and other explanatory information. These financial statements are the responsibility of the District's executive. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In my opinion, these financial statements present fairly, in all material respects, the financial position of the District as at June 30, 2019 and the results of its operations for the year then ended in accordance with Canadian accounting standards for non-for-profit organizations.

1. Organization

The Ontario Secondary School Teachers' Federation (OSSTF) is incorporated under the laws of Ontario as a not-for-profit corporation without share capital. Toronto District 12 is an organizational unit of OSSTF set up to represent, in federation matters, the members assigned to it under the by-laws.

2. Significant Accounting Policies

Basis of accounting

These financial statements are prepared in accordance with Canadian generally accepted accounting principles.

3. District Levy

The District levy is deducted by the Toronto District School Board from members pay at the rate of \$0.50 per pay. The levy shall be used to defray the costs of political action activities as approved by the District Executive Council. The PSSP Bargaining Unit portion of the District levy, as reported on the Statement of Revenue and Expenditures, includes an amount remitted to the District by the PSSP Bargaining Unit from the unit's funds rather than an amount deducted by the Toronto District School Board from the PSSP Bargaining Unit members pay.

4. Loan Payable - OSSTF

The loan payable from OSSTF arose in fiscal 2013 when the office staff were transferred from the OSSTF District Office Staff pension plan to the OMERS pension plan. Subsequent to the transfer, the OSSTF District Office Staff pension plan was terminated and a deficit resulted which was paid by the provincial office on behalf of the participating Districts and Bargaining Units. The District share of the deficit was \$45,312 and repayment is being made by annual installments, on a non-interest bearing basis, of \$2,060.

5. **Comparative information**

The comparative figures included in these financial statements have been reclassified to conform to current year presentation.

AUDITORS' REPORT

To the Members of Toronto District 12 of the Ontario Secondary School Teachers' Federation

Acting as the Financial Controller of the Ontario Secondary School Teachers' Federation, I have audited the accompanying financial statements of Toronto District 12 of the Ontario Secondary School Teachers' Federation (the "District"), which comprise the balance sheet as at June 30, 2020 and the statement of revenue, expenditures and accumulated surplus for the year then ended, and the summary of significant accounting policies and other explanatory information. These financial statements are the responsibility of the District's executive. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In my opinion, these financial statements present fairly, in all material respects, the financial position of the District as at June 30, 2020 and the results of its operations for the year then ended in accordance with Canadian accounting standards for non-for-profit organizations.

1. Organization

The Ontario Secondary School Teachers' Federation (OSSTF) is incorporated under the laws of Ontario as a not-for-profit corporation without share capital. Toronto District 12 is an organizational unit of OSSTF set up to represent, in federation matters, the members assigned to it under the by-laws.

2. Significant Accounting Policies

Basis of accounting

These financial statements are prepared in accordance with Canadian generally accepted accounting principles.

3. District Levy

The District levy is deducted by the Toronto District School Board from members pay at the rate of \$0.50 per pay. The levy shall be used to defray the costs of political action activities as approved by the District Executive Council. The PSSP Bargaining Unit portion of the District levy, as reported on the Statement of Revenue and Expenditures, includes an amount remitted to the District by the PSSP Bargaining Unit from the unit's funds rather than an amount deducted by the Toronto District School Board from the PSSP Bargaining Unit members pay.

4. Loan Payable - OSSTF

The loan payable from OSSTF arose in fiscal 2013 when the office staff were transferred from the OSSTF District Office Staff pension plan to the OMERS pension plan. Subsequent to the transfer, the OSSTF District Office Staff pension plan was terminated and a deficit resulted which was paid by the provincial office on behalf of the participating Districts and Bargaining Units. The District share of the deficit was \$45,312 and repayment is being made by annual installments, on a non-interest bearing basis, of \$2,060.

5. **Comparative information**

The comparative figures included in these financial statements have been reclassified to conform to current year presentation.

Black, Indigenous, and Workers of Colour (BIWOC) Committee Report to District Annual General Meeting 2022

Submitted by Danica Izzard, Executive Liaison

The committee has been hard at work this year. It involved providing a space to discuss concerns of Black, First Nations, Metis Indigenous, and racialized workers and a look forward to the future. We continued to meet remotely and to create a respectful and collaborative space.

This year for the federation PD day, committee members developed professional development. OSSTF members had the opportunity to listen and learn from Black and indigenous elders who will shared their knowledge and experiences in terms of strategies for dismantling Anti Black and Anti Indigenous Racism in our schools and community. The presenters explored the intersections of racism, colonization and other forms of oppression and how they continue to affect Black, Indigenous and Workers of Colour. The elders shared Indigenous and Africentric principles and perspectives to be used by educators in their learning environments to advance equitable and anti-oppressive practices.

The committee also chose recipients for the Black, Indigenous, and Workers of Colour committee award. The award honours advocacy of issues of concern to Black, Indigenous, and workers/students of colour, including incorporating anti-racist and decolonization practices into our Union and education system.

Once again, the committee would like to congratulate this year's recipients: Joy Martyr-Andre, Deborah Buchanan-Walford and Jessica Polley.

You are encouraged to check out past curriculum resources on the <u>OSSTF Toronto</u> <u>BIWOC Committee page</u>.

New members are always welcome. You can find the dates of meetings on the OSSTF Toronto events calendar.

Report from the

DISMANTLING ANTI-BLACK RACISM AND INTERSECTIONAL OPPRESSION OFFICERS

to the Annual General Meeting

OSSTF Toronto District 12

June 15, 2022

At the annual General Meeting of OSSTF Toronto District 12, 2021, the motion was passed for the appointment of four (4) Dismantling Anti-Black Racism and Intersectional Oppression Officers. Through the work of the Black, Indigenous, and Workers of Colour committee a manual for these officers was written, the positions advertised and interviews conducted. In March of 2022 these Officers were appointed two from the TTBU-Charles Walters and Vincent Bisasor, one from the OTBU-Eunice O'Mahony and one from PSSP-Paulina Monlouis.

The Officers have met four times since then to work on drafting an Anti-Black Racism Policy and an action plan. This work has been facilitated by the dedication, support and input from Deborah Buchanan-Walford and Solange Scott.

The Anti-Black Racism policy was presented to the District Executive on May 31, 2022, and unanimously adopted pending minor adjustments. The policy is also included in the package for the Annual General Meeting.

Communications and Political Action Committee

Report to the District Annual General Meeting, June 15, 2022

Our members worked through multiple critical political challenges this school year: the ongoing pandemic, major safety and workload issues, dealing with hybrid learning, confronting anti-Black racism and intersectional oppressions, and of course, the provincial election.

The Communication and Political Action Committee (CPAC) hit the ground running in September by organizing an OSSTF Toronto "No to Hybrid - Fund Emergency Virtual School" Day of Action which took place on October 14th. Members across the city participated in a sticker day to show unity against hybrid teaching, and members from several schools gave moving deputations to the multiple Board committees regarding the impacts of hybrid on our students, staff, and the quality of public education. CPAC members followed this up by organizing and leading meetings with Trustees, urging them to end hybrid. CPAC also passed a motion encouraging our local to collaborate further with other GTA Districts to take coordinated action.

CPAC developed educational tools about the Ford government's attack on public education and organizing strategies for fightback which we released in our "Train the Trainer" style PD workshop for members on February 18th. The Committee held a second round of the training focused on provincial election organizing on March 24.

From March onward, CPAC turned its attention to support organizing efforts around the provincial election. We expanded the committee to include members of District 34, 32, and D12's Active Retired Members. Committee members supported election readiness activities including canvasses for endorsed candidates. CPAC members also took a leading role in planning, training colleagues for, and participating in phone banking initiatives to directly contact OSSTF Toronto members, encouraging them to support endorsed candidates in Toronto ridings.

Eco Committee Annual Report - 2021-2022

The District 12-Toronto Eco Committee developed and implemented many goals this year despite the unique challenges due to COVID. Note: All meetings except one were held virtually via ZOOM.

The committee worked to plan professional development for members and we hosted two successful PD sessions in February; we hosted a guest speaker, Dr. Dianne Saxe, the deputy leader of the Green Party; we committed to pushing the TDSB to move towards an electric fleet of school buses; and we continued to support eco initiatives in schools which raise awareness of reducing carbon emissions and increasing biodiversity on school grounds. We also promoted the May 14th Climate Rally at Queen's Park. The Eco Committee visited a school site (Harbord CI) that applied for and used a **PollinateTO** Grant to create a community-school collaboration project. We were shown how such a large scale project is planned and developed. The Eco Committee was also shown how Harbord CI's aquaponics program works and generates meaningful student engagement. We thank the members who have worked very hard throughout this year on their own school's eco-initiatives via their eco clubs, etc.

We look forward to meeting again during the 2022-2023 school year as we continue to provide opportunities for members from all three bargaining units to support and develop eco initiatives. Our committee would like to extend an invitation to any interested members of the district to join us in 2022-23.

In solidarity,

Natasha Bartels, Eco Committee Co-Chair

Adam Shalaby, Eco Committee Co-Chair

Maryline Lanteigne, Executive Liaison to the Eco Committee

Year-end Report of the OSSTF Toronto Human Rights Committee

While the COVID pandemic made the Action:ReAction student activism conference impractical for another year, the committee continued to meet virtually and accomplish some modest goals. While Action: ReAction did not run, the committee did put on a virtual version of its annual Amnesty International Write for Rights event in December.

Thanks to a HRC motion to the District Executive, the committee was also successful in having the district raise the cap on honoraria for outside speaker from a gift of no more than \$25 in value to \$150 so that the union be consistent in upholding the principle of fair compensation for labour.

The committee continued its longstanding role of supporting the work of internal and community activists. Early in 2022, the HRC welcomed speakers from META (Muslim Educators of Toronto) and shared their excellent resources for the January 29th Day of Remembrance and Action Against Islamophobia. Together, we also lobbied successfully to get the OSSTF Provincial Executive to donate \$3000 to the legal challenge against Quebec's Bill 21, which effectively bars practicing Jews, Muslims, and Sikhs from the Quebec civil service.

In April, the HRC hosted speakers from the Mining Injustice Solidarity Network and shared a survey from them on our social media.

Hopefully we will be able to resume meeting in person again next year. New members, of course, are always welcome. Looking forward to seeing what we can accomplish in year ahead.

Status of Women Annual Report - 2021-2022

The District 12-Toronto Status of Women Committee achieved many goals this year despite the unique challenges due to COVID. Note: All meetings were held virtually via ZOOM.

The committee worked to plan professional development for members and we hosted two PD sessions in February; we participated in a joint initiative with the Human Rights committee; continued our annual efforts to support schools in their remembrance of the December 6th massacre; we promoted International Women's Day; and continued to support initiatives in schools which raise awareness and encourage activism pertaining to women's issues through the Kathryn Maxwell Bursary. The Status of Women Committee also extended our support to members of the community by supporting **Sistering** and **London Abused Women's Centre**.

Given that OSSTF Toronto was unable to hold their annual Awards Night due to COVID, our committee has recognized outstanding colleagues and students through the Status of Women Awards nominations process and has sent out certificates of merit to all recipients via their nominators. We look forward to receiving and recognizing the award winners at some date in the fall.

The Status of Women Committee would like to extend a heartfelt thanks to all OSSTF Toronto members who participated in the Moose Hide Campaign Day, a day that serves to highlight the disproportionate impact that violence is having on Indigenous women and children, and the implicit racism at the root of this.

We look forward to meeting again during the 2022-2023 school year as we continue to provide opportunities for members from all three bargaining units to support women and women identified members and students. Our committee would like to extend an invitation to any interested members of the district to join us as well as thank individuals who supported our numerous initiatives throughout the year.

In solidarity,

Jo-Ann McLeod, Status of Women Committee Chair
