

October 14

Day of Action

Sticker day - Show our Unity!

Show unity at your school site, encourage all staff to proudly wear their "NO HYBRID: Fund Emergency Virtual School NOW" stickers

Give a Deputation to TDSB

As frontline workers, we see the impact of hybrid learning on our students and fellow staff members. Speak from your experience. Join us in telling TDSB's "Planning and Priorities" Committee that the hybrid model is failing students.

#NoHybrid **#FundEmergencyVirtualSchool**

Sticker Day

October 14

How to make it work
at your school site

Talk it up!

Before the day, talk to other staff about the issues, and why it matters to show our unity on October 14th

Pass out stickers to all staff

Consider having members at each entrance distributing stickers on the morning of Oct. 14. Missing stickers? Speak to your Branch President or reach out to your Executive Officer

Let us know how it went

We'll be sending out a short follow up survey. Let us know how it went, what you think we should do next, and how we can keep organizing better, together.
