

Conservative education funding for 2024-25 is BELOW THE RATE OF INFLATION!

This means even deeper cuts to staffing and programs in our schools.

- MPP Stan Cho has FAILED to deliver education funding urgently needed by schools in Willowdale.
- Please tell him: "This is NOT OK!"

The numbers say it all: Even deeper cuts for the 2024-25 school year.

Inflation-adjusted ANNUAL education funding in the coming school year will be \$1,500 less *per pupil* than it was in 2018. The impact will be felt in every school in Willowdale: Even bigger class sizes. More staffing cuts. Less support for each student. More violent incidents in school hallways and classrooms. More programs eliminated.
