💬 *Daniela has been one of the most supportive leaders that I have come to know as a new teacher. On a particularly challenging Friday, Daniela took time to be there for me. Our talk changed my entire weekend and I was able to come back to work feeling assured, confident and supported."*

“

Daniela is a fierce presence in our small school community in her role as Health and Safety Representative. With a calm, approachable demeanour, Daniela listens and advocates for all members each and every day and has ensured accountability from our administrators. Daniela combines key knowledge and insight with a fire to uphold member well-being. Daniela is an excellent choice for Executive Officer!"

“

I had the pleasure of working closely with Daniela during her tenure as Branch President at C.W. Jefferys, while I served as Workload Rep. As a strong team player, Daniela brought clear communication and collaboration to our Branch and ensured that staff stayed informed and engaged with union matters. Her leadership is both principled and proactive – qualities that make her an excellent candidate for Executive Officer.
