

YOUR CONTRACT

MAKE YOUR VOICE HEARD

We're about to head into bargaining and we need your input. Together we can create a better future for you, students, and all of education in Ontario.

Take our quick survey and let us know your concerns and priorities. We can't do this without you. As an appreciation for your time and for sharing your voice, once you've completed the survey, you'll be entered into a prize draw to win a \$250 gift card, a \$100 gift card, or an OSSTF/FEESO Yeti mug!

Scanning the code using your phone's camera app will quickly take you to the survey.
