

We need to make sure our members are heard.

We're heading into bargaining and we need to hear from our membership. That's why we're launching a survey to make sure everyone has a chance to let us know what they think.

We need your help so that as many OSSTF/FEESO members as possible complete it. Together we can create a better future for you, students, and all of education in Ontario.

BUT...WHY A SURVEY ?

Surveying our members is about more than checking a box. While we are mandated under our constitution to survey our members ahead of bargaining, right now we are preparing to bargain for a game-changing collective agreement.

- The more members who complete the survey, the louder our voice at the bargaining table.
- It shows we're organized, informed, and ready to fight for what we deserve.
- Your input helps shape the contract demands that reflect real member priorities.
- Survey results give our bargaining team the facts they need to push back with confidence.
- It builds momentum now and strengthens us for future negotiations.

SOUNDS GREAT. BUT WHERE DO I COME IN ?

We need local reps and presidents to help us reach members and increase engagement. Here's how.

- Dedicate a bargaining unit or worksite meeting to the survey. This is an opportunity for everyone to understand the context of the bargaining survey and the importance of engaging all members.
- Use the QR code to complete the survey while together with colleagues.
- Send a text link to your coworker and ask them to take the survey and then pass it on.
- Put up our posters and flyers in your staff room. Show members how to scan the QR code to take the survey on their phone.

- Take the flyer to your coworker social, back to school barbecue, or anywhere you're spending time with other members.
